CONFIRMATORY ASSIGNMENT

I, the undersigned Assignor, hereby confirm assignment of my entire right, title and interest in and to the patents, applications, and inventions listed herein, and in and to any further application(s) and all patents which may be granted therefor, and all divisions, reissues, substitutions, continuations, and extensions thereof, to APOGEE SEMICONDUCTOR, INC., its successors and assigns, as Assignee of my entire right, title, and interest. I also hereby sell and assign to APOGEE SEMICONDUCTOR, INC., its successors and assigns, my foreign rights to the invention disclosed in said application, in all countries of the world, including the right to file applications and obtain patents under the terms of the Paris Convention for the Protection of Industrial Property, and further agree to execute any and all patent applications, assignments, affidavits, and any other papers in connection therewith necessary to perfect such patent rights.

I confirm that the associated assignment documents for the properties listed below were duly executed by me on the specified dates, with my full intent to assign my entire right, title, and interest to APOGEE SEMICONDUCTOR, INC., a corporation organized and existing under the laws of the State of Delaware, with a place of business at 840 E. Central Pkwy., Ste. 140, Plano, Texas 75074, or to a predecessor legal entity now doing business as APOGEE SEMICONDUCTOR, INC., and that I hereby agree to all of the terms of the previous assignment document.
