ABL PATENT SECURITY AGREEMENT SUPPLEMENT

This ABL PATENT SECURITY AGREEMENT SUPPLEMENT is entered into as of May 15, 2024 (this “**Patent Security Agreement Supplement**”), among THE RELIABLE AUTOMATIC SPRINKLER CO. INC. (the “**Grantor**”) and JPMorgan Chase Bank, N.A., as administrative agent for the Revolving Lenders and collateral agent for the Secured Parties (in such capacities, the “**Administrative Agent**”).

Reference is made to that certain Amended and Restated Pledge and Security Agreement, dated as of May 15, 2024 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time and in effect on the date hereof, the “**Security Agreement**”), among the U.S. Loan Parties party thereto and the Administrative Agent. The Revolving Lenders have extended credit to The Reliable Automatic Sprinkler Co. Inc., a New York corporation (the “**Lead Borrower**”) subject to the terms and conditions set forth in that certain Second Amended and Restated ABL Credit Agreement dated as of May 15, 2024 (as amended, restated, amended and restated, supplemented or otherwise modified and in effect on the date hereof, the “**ABL Credit Agreement**”), by and among RASCO Acquisition Co., LLC (“**Holdings**”), The Reliable Automatic Sprinkler Co. Inc. (the “**Lead Borrower**” and a “**U.S. Borrower**”), Reliable Automatic Sprinkler of Canada, Inc. (a U.S. Borrower and together with the Lead Borrower, the “**U.S. Borrowers**”), Reliable Fire Sprinkler (UK) Limited (the “**U.K. Borrower**”), Reliable Fire Sprinkler GmbH (the “**German Borrower**”), each other Subsidiary Borrower from time to time party thereto, the Subsidiary Guarantors from time to time party thereto, the Revolving Lenders from time to time party thereto, the Administrative Agent, J.P. Morgan SE in its capacities as administrative agent under the German Facility and the U.K. Facility (the “**European Administrative Agent**”) and J.P. Morgan Europe Limited in its capacity as the holder of a Lien on the Collateral of the German Loan Parties and the U.K. Loan Parties (the “**European Collateral Agent**”). Consistent with the requirements set forth in Sections 4.01 and 5.12 of the ABL Credit Agreement, the Grantor and the Administrative Agent have entered into that certain Patent Security Agreement, dated as of August 28, 2012 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time and in effect on the date hereof, the “**Patent Security Agreement**”). Under the terms of the Security Agreement, the Grantor has granted to the Administrative Agent for the benefit of the Secured Parties as security interest in the Additional Patent Collateral (as defined below) and have agreed, consistent with the requirements of Section 4.7 of the Security Agreement, to execute this Patent Security Agreement Supplement. Now, therefore, the parties hereto agree as follows:

SECTION 1. **Terms.** Capitalized terms used in this Patent Security Agreement Supplement and not otherwise defined herein have the meanings specified in the Security Agreement.

**Grant of Security Interest.** As security for the prompt and complete payment or performance, as the case may be, in full of the Secured Obligations (as defined in the ABL Credit Agreement), the Grantor, pursuant to the Security Agreement, did and hereby does pledge, collaterally assign, mortgage, transfer and grant to the Administrative Agent, its successors and permitted assigns, on behalf of and for the ratable benefit of the Secured Parties, a continuing security interest in all right, title or interest in, to or under all of the following assets, whether now owned or at any time hereafter acquired by or arising in favor of the Grantor and regardless of where located (collectively, the “**Additional Patent Collateral**”):

the issued Patents and pending Patent applications in the United States Patent and Trademark Office listed on Schedule I hereto;

the right to sue third parties for past, present and future infringements of the foregoing; and

all proceeds of and any right associated with the foregoing;

in each case to the extent the foregoing items constitute Collateral.

Notwithstanding anything to the contrary in (A) through (C) above, this Patent Security Agreement Supplement shall not constitute a grant of a security interest in any Excluded Assets.

***Security Agreement.*** The security interests granted to the Administrative Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Administrative Agent pursuant to the Security Agreement. The Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the Additional Patent Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Patent Security Agreement Supplement and the Security Agreement, the terms of the Security Agreement shall govern.

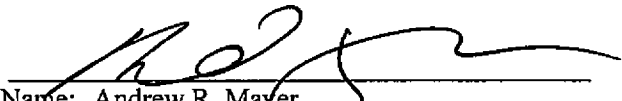

***Governing Law.*** This Patent Security Agreement Supplement shall be governed by, and construed in accordance with, the laws of the State of New York.

[Signature Pages Follow]

IN WITNESS WHEREOF, the parties hereto have duly executed this Patent Security Agreement Supplement as of the day and year first above written.

**GRANTOR:**

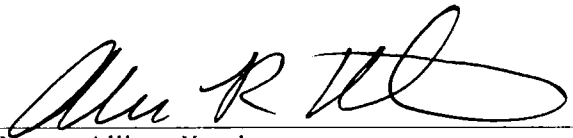

**THE RELIABLE AUTOMATIC SPRINKLER CO.  
INC.**
