ASSIGNMENT

For good and valuable consideration, the receipt of which is acknowledged, we, the undersigned ASSIGNORS, sell, assign, and transfer, to ASSIGNEE,

Davian Enterprises, LLC, a limited-liability company organized under the laws of the state of Tennessee, USA, and having a place of business at 6435 Highway 411 South, Greenback, Tennessee 37742, United States, and its successors and assigns,

all of ASSIGNOR'S right, title, and interest, throughout the entire United States and its territorial possessions and in all other countries, to the invention entitled:

Expandable Belt and Tread Drum with Magnetic Deck Fixing

This invention includes all improvements and may be found in one or more of the following documents:

- (a) US Provisional Application Serial No.: 63/120,811, filed on December 3, 2020;
- (b) International Application Serial No.: _____, filed on _____;
- (c) US Patent Application Serial No.: 17/541,397, filed on December 3, 2021;
- (d) US Patent No.: 11,993,043, issued on May 28, 2024; and
- (e) any legal equivalent thereof in a foreign country.

Declaration under 37 C.F.R. § 1.63: *The above-identified application or applications was or were made by us, the ASSIGNORS. We believe that we are the original inventors or original joint inventors of a claimed invention in the application or applications. We hereby acknowledge that any willful false statement made in this declaration under 37 C.F.R. § 1.63 is punishable under 18 U.S.C. § 1001 by fine or imprisonment of not more than five (5) years, or both.*

The ASSIGNORS' right, title, and interest in the invention includes without limitation: all rights, privileges, and interests in the invention including any priority claims, right to make priority claims, and ownership rights; all Letters Patent in the US and equivalent patents in any country in the world; any related provisional, utility, design, continuation, division, continuation-in-part, or like applications in the US or equivalent applications in any country in the world; any priority, extension, conversion, substitute, restoration, reissue, reexamination, or equivalent applications and patents; and all rights under any International Convention for the Protection of Industrial Property or similar treaties including claiming priority to a patent application, patent applications, patent, or patents, including the above listed patent application, applications, patent, or patents by virtue of the Paris Convention or otherwise, throughout the World including PCT member states and any region or any country in the world, and the right to file the patent application(s), design application(s), and any other application(s) associated with the invention and be granted the patent(s), design(s), registrations(s), and the like throughout the World including PCT member states and any region or any country in the world.

ASSIGNORS represent and agree, individually and together, to the following:

- (1) We are the only inventors of this invention;
- (2) We have the full right to convey the entire right in this invention to the ASSIGNEE;
- (3) We have not executed and will not execute any assignment, conveyance, transfer, sale, mortgage, license, encumbrance, lien, or agreement regarding this invention with anyone other than ASSIGNEE;
- (4) We will provide all information and do all things reasonable and necessary for ASSIGNEE to secure the full rights and benefits of its interest in this invention;
- (5) We authorize the ASSIGNEE, its successors or assigns, to invoke and claim for any application for patent or other form of protection for this invention filed by the ASSIGNEE, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from us;
