ASSIGNMENT

WHEREAS, Ravi Nallakrishnan, hereinafter called the "Assignor", has made the invention described in the International Patent Application entitled "SURGICAL INSTRUMENTS FOR ANTERIOR GONIOTOMY" that has been assigned International Patent Application No. PCT/US23/18590, filed on April 14, 2023, claiming priority of U.S. Provisional Patent Application Serial No. 63/341,485, filed on May 13, 2022.

WHEREAS, RAICO, INTERNATIONAL, LLC, a limited liability company organized and existing under the laws of the United States, having offices at 825 N. Cass Ave., Suite 202, Westmont, IL 60559, United States of America, and the successors, legal representatives and assigns of RAICO, INTERNATIONAL, LLC (hereinafter collectively called said Assignee), desires to acquire the entire right, title and interest in the invention and to the patent application identified above, and all patents foreign and domestic, utility, utility models, designs, continuations and divisional applications, which may be obtained for said invention, as set forth below.

NOW THEREFORE, in exchange for valuable and legally sufficient consideration, the Assignor has sold, assigned and transferred, and by these presents does sell, assign and transfer to the Assignee, the entire right, title and interest for the United States and elsewhere in and to the invention and the patent application identified above, and any patents that may issue for said invention in the United States and elsewhere; together with the entire right, title and interest in and to said invention and all patent applications, patents, utility models and designs therefor in all countries foreign to the United States and in the United States, including the full right to claim for any such application all benefits and priority rights under any applicable convention; together with the entire right, title and interest in and to all continuations, divisions, renewals and extensions of any of the patent applications, patents, utility models and designs defined above; to have and to hold for sole and exclusive use and benefit of the Assignee, its successors and assigns, to the full end of the term or terms for all such patents.

The Assignor hereby covenants and agrees, for both the Assignor's and Assignor's legal representative, that Assignor has the full right to convey the interest assigned by this Assignment; and that the Assignor will assist the Assignee in the prosecution of the patent applications identified above, in the making and prosecution of any other applications that the Assignee like exclusive title in and to all such other patent applications and patents, in the prosecution of any derivation proceeding which may arise involving said invention, or any such patent application or patent, and in assisting Assignee in enforcement of any rights arising out of the Assignment; and that the Assignor will execute and deliver to the Assignee any and all additional papers which may be requested by the Assignee to carry out the terms of this Agreement.

The Commissioner of Patents and Trademarks is hereby authorized and requested to issue patents to the Assignee in accordance with the terms of this Assignment.

The attorneys of record in such PCT patent application are hereby authorized and requested by the undersigned to insert in this Assignment the date and application number of the aforementioned application in the places provided therefor.

IN TESTIMONY WHEREOF, THE Assignor has executed this agreement.

DATED: April 14, 2023

Ravi Nallakrishnan, Inventor
