TERMINATION AND RELEASE OF
INTELLECTUAL PROPERTY SECURITY AGREEMENT

This Termination and Release of Intellectual Property Security Agreement, dated as of June 11, 2024 (this "Release") is made with regard to that certain Intellectual Property Security Agreement entered into as of December 30, 2021 (as amended from time to time, the "Agreement") by and between JPMORGAN CHASE BANK, N.A. ("Lender"), and SIMPLER POSTAGE, INC., a Delaware corporation ("Grantor"). Capitalized terms not otherwise defined herein shall have the meanings ascribed to such terms in the Agreement.

WHEREAS, pursuant to the Agreement that was recorded with the Patent division of the U.S. Patent and Trademark Office on January 3, 2022 at Reel 058602, Frame 0781, Grantor granted Lender a security interest in the Intellectual Property Collateral, including certain patents, patent applications and like protections including, without limitation, improvements, divisions, continuations, renewals, reissues, extensions and continuations-in-part of the same, including without limitation the patents and patent applications (collectively, the "Patents") listed in the Exhibit B hereto.

WHEREAS, pursuant to the Agreement that was recorded with the Trademark division of the U.S. Patent and Trademark Office on January 3, 2022 at Reel 7547, Frame 0689, Grantor granted Lender a security interest in the Intellectual Property Collateral, including certain trademark and servicemark rights, whether registered or not, applications to register and registrations of the same and like protections, and the entire goodwill of business of Grantor connected with and symbolized by such trademarks (collectively, the "Trademarks") listed in the Exhibit C hereto.

WHEREAS, the Lender wishes to enter into this Release to confirm that Lender has released its security interests in and to the Intellectual Property Collateral and to expunge any recordation of the security interest insofar as it pertains to the Intellectual Property Collateral.

NOW, THEREFORE, for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Lender forever releases and discharges the entire security interest in and to all of the Intellectual Property Collateral, including the Patents and Trademarks.

Lender hereby agrees to execute such instruments, to take such other actions, and to give such further assurances as Grantor reasonably shall request to terminate any security interest in the Intellectual Property Collateral pursuant to the Agreement and otherwise to effectuate the release of all recordations of such security interest in the Intellectual Property Collateral.

Lender acknowledges and agrees that Grantor and its successors and assigns may rely upon this Release. Lender represents and warrants that it has not transferred or assigned all or any part of the security interest in the Intellectual Property Collateral to any third party, and that it has all necessary authority to execute this Release and grant the releases and discharges and all other rights set forth herein.
