ASSIGNMENT

For valuable consideration, the receipt of which is hereby acknowledged, and intending to be bound legally **Crux Product Design Ltd.**, a corporation formed under the laws of Great Britain and having a principal place of business at BS4 3AR Bristol, United Kingdom (the “Assignor”), assigns **Sanofi**, a corporation formed under the laws of France and having a principal place of business at 46 avenue de la Grande Armée, 75017 Paris, France, and its successors, transferees, and assignees (collectively the “Assignee”), all of its rights, titles, and interests throughout the world in the invention(s) (the “Subject Matter”) disclosed or claimed in a patent application that is titled “ATTACHMENT MECHANISM, MODULE AND ASSEMBLY HEREWITH” and was filed in the *following Patent Office(s)*:

USPTO on February, 28, 2024, as US Application No. 18/590,727

EPO on February 28, 2024, as EP Application No. 24315065.3

(the “Application(s)”).

This Assignment assigns, in addition to the Subject Matter, (a) the Application and all other applications that may be made for, and all patents, utility models, design registrations, and other rights of exclusion and inventors’ certificates for, any of the Subject Matter (collectively the “Applications and Granted Rights”) in every country or region, and under every treaty or convention, (b) the right to claim priority based on and the benefit of the filing date of any of the Applications and Granted Rights under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, the Hague Agreement, and all other applicable treaties or conventions, and (c) the right to pursue, collect, and retain in the Assignee’s name or otherwise, damages and any other remedies arising from any past, present, or future infringement of the Subject Matter, the Applications and Granted Rights, and any other rights assigned by this Assignment.

To the extent any portion of the rights assigned by this Assignment has been previously assigned to the Assignee, this Assignment is a confirmation of the previous Assignment.

Assignor authorizes the Assignee to apply for and pursue protection for any or all of the Subject Matter, the Applications and Granted Rights, and any other rights assigned by this Assignment in all countries, regions, and territories of the world, in the Assignor's name or in the Assignee's name.

Assignor represents and warrants that it has the right and power to make this Assignment and that it has not made and will not make any other assignment that conflicts with this Assignment.

Assignor will communicate to the Assignee (or at the request of the Assignee to other parties) all known facts in any form relating to the Subject Matter, will execute and provide all oaths and declarations, statements, testimony, assignments, powers of attorney, applications, and documents, and will perform all other lawful acts necessary or desirable to secure fully to the Assignee the rights, titles, and interests assigned by this Assignment.
