ASSIGNMENT

This Assignment ("Assignment") is made and entered into as of June 12, 2024, by and among (1) ST DetectTech, LLC, a limited liability company of Delaware with an address of 9501 Jagged Creek Ct, Delray Beach, Florida 33446 ("Assignee"); (2) ST Portfolio Holdings, LLC, a Delaware limited liability company with an address of 9501 Jagged Creek Ct, Delray Beach, Florida 33446 ("Holdings") and (3) Staton Techiya, LLC, a limited liability company of Delaware with an address of 9501 Jagged Creek Ct, Delray Beach, Florida 33446 ("Assignor").

A. Assignor wishes to contribute, assign, transfer and convey to Holdings, and Holdings wishes to accept from Assignor, all Assignor's right, title, and interest in and to the Acquired Rights (as defined below) in exchange for additional membership interests in Holdings, subject to the terms and conditions set forth herein.

B. Immediately following the Initial Contribution (as defined below), Holdings wishes to contribute, assign, transfer and convey to Assignee, and Assignee wishes to accept from Holdings, all Holding's right, title, and interest in and to the Acquired Rights in exchange for additional membership interests in Assignee, subject to the terms and conditions set forth herein.

C. The parties desire to record the assignment set forth in this Assignment with the United States Patent and Trademark Office and any other public records for which recording is deemed appropriate by Assignee.

D. Now therefore, in consideration of the mutual covenants and agreements set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Incorporation of Recitals. The foregoing recitals are true and correct and are incorporated into and made a part of this Assignment as if fully set forth herein.

2. Contribution to Holdings. In exchange for additional membership interests in Holdings, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound hereby, Assignor hereby unconditionally and irrevocably contributes, assigns, transfers and conveys to Holdings, its successors and assigns, all of its world-wide right, title, and interest, in, to, and under the following (collectively, "Initial Contribution"):

(a) the patents and patent applications listed in Schedule 1, all issuances, divisions, continuations, continuations-in-part, reissues, extensions, reexaminations, and renewals of any of the foregoing ("Patents") and any other patents or patent applications that claim a benefit or priority from any Patents (collectively "Acquired Patents");

(b) all licenses and similar contractual rights or permissions, whether exclusive or nonexclusive, related to any of the Acquired Patents ("Licenses");

(c) the right to claim for any applications the full benefits and priority rights of any international agreement between the United States and any foreign country or countries;

(d) all royalties, fees, income, payments, and other proceeds now or hereafter due or payable to Assignor with respect to any of the foregoing;

(e) all claims and causes of action (whether currently pending, filed or otherwise) and all other enforcement rights and other rights to remedies under, on account of, or related to any of the Acquired Patents and/or any item in any of the foregoing, whether accruing before, on, or after the date hereof, including all rights to all claims, counterclaims, cross claims, third party claims, appeals and appellate rights, retrials, pre-trial motions, post-trial motions, substitutions, all rights under the Patent Laws, Federal Rules of Procedure, the Federal Rules of Evidence, Federal Rules of Appellate Procedure, Federal Circuit Rules of Practice, local district court rules, other causes of action and other enforcement rights for past, present and future damages, royalties, restitution, payments of judgments, costs, and injunctive and other legal and equitable relief for past, present, and future infringement, misappropriation, violation, misuse, breach, or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages; and

(f) all other rights, privileges, and protections of any kind whatsoever of Assignor accruing under any of the foregoing provided by any applicable law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world (items (a) through (f) collectively, the "Acquired Rights").

3. Contribution to Assignee. Immediately following the Initial Contribution, Holdings unconditionally and irrevocably contributes, assigns, transfers and conveys to Assignee, its successors and assigns, all of its world-wide right, title, and interest, in, to, and under the Acquired Rights in exchange for additional membership interests in Assignee, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound hereby.

4. No Liabilities. Neither Holdings nor Assignee assumes nor is otherwise liable for any obligations, claims, or liabilities of Assignor of any kind, whether known or unknown, contingent, matured, or otherwise, whether currently existing or hereafter arising, including, for the avoidance of doubt, any obligations, claims, or liabilities arising from or in connection with any circumstances, causes of action, breach, violation, default, or failure to perform by or of Assignor with respect to the Licenses.

5. Further Assurances. Assignor and Holdings shall execute any instruments or documents and perform all other acts reasonably necessary or appropriate, in the reasonable discretion of the Assignee, its successors and assigns, to further evidence the intent and purpose of this Assignment, including specifically to cooperate fully with any transfer and substitution in any litigation, appeal or other proceeding.

6. Entire Agreement. This Assignment, together with Schedule 1, constitutes the sole and entire agreement of the parties to this Assignment with respect to the subject matter contained herein, and supersedes all prior and contemporaneous understandings, agreements, representations and warranties, both written and oral, with respect to such subject matter.

7. Severability. If any term or provision of this Assignment is invalid, illegal, or unenforceable in any jurisdiction, such invalidity, illegality, or unenforceability shall not affect

any other term or provision of this Assignment or invalidate or render unenforceable such term or provision in any other jurisdiction.

8. Amendment and Modification. This Assignment may only be amended, modified, or supplemented by an agreement in writing signed by each party hereto.

9. Successors and Assigns. This Assignment shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

10. Governing Law. The laws of the State of Delaware, without giving effect to its conflicts of laws principles, shall govern all matters arising out of, in connection with, or relating to this Assignment including, without limitation, the validity, interpretation, construction, performance, and enforcement thereof.

11. Counterparts. This Assignment may be executed in counterparts, each of which shall be deemed an original but all of which together shall be deemed one and the same instrument. A signed copy of this Assignment (or a signature page hereto) delivered by email, “.pdf” format, or other means of electronic transmission (including any electronic signature complying with the U.S. federal ESIGN Act of 2000, *e.g.*, www.docusign.com) shall be deemed to have the same legal effect as delivery of an original signed copy of this Assignment.
