PATENT ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which is acknowledged, Mark Cuban, (hereinafter, "Assignor"), has and does hereby distribute, convey, transfer and assign to ZuMedia Inc., a corporation formed under the laws of the State of New York, with a place of business at 1180 Sixth Avenue, 8th Floor, New York, NY, and its successors and assigns (collectively, hereinafter, "Assignee"), the entire right, title and interest throughout the world in and to the inventions, improvements and all patents, patent applications and registered designs identified in Schedule A hereto, and to any patents, continuations, continuations-in-part, divisions, reissues, reexaminations and extensions thereof along with any and all rights of enforcement and causes of action with respect thereto (collectively, the "Patent Rights"); and

Assignor authorizes and requests the attorneys appointed in said applications, patents and registered designs to file this assignment wherever appropriate including for any and all United States patent applications and patents, utility models, and design registrations pending or granted for any of said inventions or improvements; and

Assignor authorizes and requests the attorneys appointed in said applications the right to claim priority based on the filing dates of said applications listed in Schedule A under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and

Assignor agrees for himself and his respective heirs, legal representatives and assigns, without further compensation to perform such lawful acts and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this assignment.

Assignee acknowledges that Assignor is assigning his rights in the Patent Rights "as is" without any representations or warranties relating to the Patent Rights.
