ASSIGNMENT

WHEREAS I/We, are the below-named inventor(s) (hereinafter referred to as Assignor(s)), of an invention entitled:

COMMUNICATION NETWORK CONFIGURATION

as disclosed and claimed in the applications identified below this paragraph:

Application Number	Country of Filing	Filing Date
18/324,848	U.S.A.	May 26, 2023

WHEREAS, ECI Telecom Ltd., having a place of business 30 Hasivim Street, Petah Tikva, Israel 49133 (hereinafter referred to as Assignee), is desirous of securing the entire right, title, and interest in and to this invention in all countries throughout the world, and in and to all applications for patents on this invention in all countries throughout the world, including any PCT International Application and all national stage applications based thereon that may be filed, and all patents issued upon such applications in all countries throughout the world;

NOW THEREFORE, be it known that, for good and valuable consideration the receipt of which from Assignee is hereby acknowledged, we, as Assignors, have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, our entire right, title, and interest in and to this invention, the above-referenced applications that disclose and claim this invention, any PCT International Application and all national stage applications based thereon that may be filed, any other applications for patents filed anywhere in the world that claim this invention, and all divisions, and continuations of any such application, and all patents which may be granted thereon, and all reissues thereof, and all rights to claim priority in any country on the basis of any such applications, and all extensions, renewals, and reissues thereof; and we hereby authorize and request that any official of any country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this invention to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, We covenant that we have the full right to convey the interest assigned by this Assignment, and we have not executed and will not execute any agreement in conflict with this Assignment;

AND, we further covenant and agree that we will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to me respecting this invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this invention in said Assignee, its successors or assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for this invention in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns.

AND, we authorize and request a patent practitioner of record in this application, to insert the filing date, country of filing, and application number of the above-referenced application(s) when known.

IN TESTIMONY WHEREOF, I/We have hereunto set our hands.

2. Ownership of intellectual property
 - 2.1. The company and/or anyone replacing it is the exclusive owner of all intellectual property rights of any kind or nature whatsoever, including the classified information, copyrights, inventions, patents, commercial secrets, innovations, ideas, and so forth ("**Intellectual Property Rights**") arising from me or which I, or those reporting to me, created during the period of engagement with the company, or due to such engagement.
 - 2.2. I undertake to disclose to the company in writing any Intellectual Property Rights that may arise or which I will create during the period of engagement with the company and/or due to my engagement with the company, and I assign hereby any interest that I may have in such Intellectual Property Rights to the benefit of the company, without consideration.
 - 2.3. Without derogating from the general nature of the above, it is clarified hereby that I fully and irrevocably waive any entitlement to receive compensation and/or royalties and/or any other consideration that I may have by virtue of any statute and/or applicable law, in Israel or elsewhere, concerning Intellectual Property Rights ("Consideration"), and I hereby undertake and declare that I will not have any claim and/or demand against the company or anyone on its behalf (including subsidiaries and/or affiliated companies and/or employees, office holders, executives, and owners) of any kind or nature whatsoever to receive any Consideration, as mentioned.
 - 2.4. My duties as set out in this section will remain in force after the termination of my engagement with the company for any reason whatsoever and without limitation of time.
