ASSIGNMENT

In consideration of my ownership rights and fiduciary obligations and other good and valuable considerations, the receipt and sufficiency of which are hereby acknowledged, the undersigned inventor ("Inventor") hereby assigns to First Line Furniture, LLC, having a principal place of business at 346 Fee Fee Rd. Maryland Heights, MO 63043, its successors and assigns (hereinafter Assignee"), the entire right, title and interest in the Inventor's invention or improvements as identified below and disclosed in the following applications and/or United States Letters Patent:

Application Serial No.: 62/675,091                      17/578,230  
Invention Title: FLIP-TOP TABLE FOR PROTECTION FROM PROJECTILES  
Filing Date: May 22, 2018                      January 18, 2022

and any and all other applications for Letters Patent which the Assignee or the Inventor may file, either solely or jointly with others, on said invention or improvements, and in any and all Letters Patent of the United States which may be obtained on any of said applications, including any identified above, and in any reissue or extension thereof.

Inventor hereby authorizes and requests the Commissioner of Patents to issue said Letters Patent to said Assignee, and the Assignee hereby authorizes and requests the attorneys of record in said application(s) to insert in this Assignment the serial number and filing date of said application(s).

For said considerations, Inventor hereby agrees, upon the request and at the expense of said Assignee, to execute any divisional, continuation, continuation-in-part or substitute application for said invention or improvements, and any oath or affidavit relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application(s), and, in the event of any application or Letters Patent assigned herein becoming involved in an interference, to cooperate to the best of the Inventor's ability in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof. Inventor hereby agrees to perform, upon request, any affirmative acts to obtain said Letters Patent of the United States and vest in said Assignee all rights therein, whereby said Letters Patent will be held and enjoyed by said Assignee, to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by Inventor if this assignment has not been made. Inventor further assigns to Assignee the right to sue infringers, including any infringements that may have occurred prior to the effective date of this Assignment.

This Assignment shall be governed by and construed and enforced in accordance with the internal laws of the State of Missouri applicable to agreements to be performed wholly within such state. In connection with any litigation commenced by the parties under this Agreement, each party hereby irrevocably consents and submits to the jurisdiction of and venue in the Circuit

PATENT  
Docket No.: FLF-2C

Court of St. Louis County, Missouri or the United States District Court for the Eastern District of Missouri, and each party specifically waives any objection based on venue with respect to any such litigation. In construing this Assignment, both parties shall be deemed to have cooperated in its drafting and preparation and negotiated the terms accordingly.

IN EXECUTING THIS ASSIGNMENT, INVENTOR HEREBY ACKNOWLEDGES HAVING HAD THE OPPORTUNITY TO SEEK THE ADVICE OF INDEPENDENT LEGAL COUNSEL WHO IS NOT LEGAL COUNSEL FOR ASSIGNEE, AND INVENTOR HAS READ AND UNDERSTOOD ALL OF THE TERMS AND PROVISIONS OF THIS ASSIGNMENT. WITHOUT LIMITING THE FORGOING, UPON ASSIGNING THIS INVENTION TO ASSIGNEE, INVENTOR HAS NO OWNERSHIP IN THE INVENTION.

And for said consideration, Inventor hereby assigns to said Assignee the entire right, title and interest in said invention or improvements for all foreign countries, including all priority rights, and agrees to execute, at the request of said Assignee, all documents in connection with any application for foreign Letters Patent therefor.
