ASSIGNMENT

THIS ASSIGNMENT is made on the **1st** day of the month of **July** of the year two thousand and twenty four, between INTROPACK CO., LTD., a corporation duly organized and existing under and by virtue of the laws of KOREA, and having a registered address at 642, POSEUNG GONGDANSUNHWAN-RO, POSEUNG-EUP, PYEONGTAEK-SI, GYEONGGI-DO, REPUBLIC OF KOREA, 17957 (hereinafter referred to as "the Assignor") of the one part and NUC ELECTRONICS CO., LTD., a corporation duly organized and existing under and by virtue of the laws of KOREA and having a registered address at 280 NOWON-RO, BUK-GU, DAEGU, REPUBLIC OF KOREA, 41548, (hereinafter referred to as "the Assignee") of the other part.

WHEREAS

(A) The Assignor is a beneficial owner of: the entire right, title and interest, domestic and foreign, in the improvements that are the subjects of the patent applications identified in Exhibit A (hereinafter referred to as "the US Applications"), in the US Applications, in any United States Patents granted therefor; in all Applications for Patent and in any Patents granted therefor in any and all other countries, including all divisions, reissues, continuations and extensions therefor; and of all rights of priority resulting from the filing of said US Applications (hereinafter referred to as "the Patent Rights").

(B) The parties hereto have agreed that an undivided 50% interest in the Assignor's Patent Rights in all countries throughout the world should be transferred by the Assignor to the Assignee for the consideration hereinafter set forth.

NOW IT IS HEREBY AGREED that:

1. In consideration of the sum of one dollar now paid by the Assignee to the Assignor (the receipt whereof is hereby acknowledged), the Assignor as beneficial owner hereby assigns an undivided 50% interest in the Patent Rights in all countries through the world, resulting from the filing of said US Applications, including an undivided 50% interest in all rights of priority, an undivided 50% interest in any and all Applications for Patent (hereinafter referred to as "the Corresponding Applications") and an undivided 50% interest in any and all Patents granted pursuant to the Corresponding Applications (hereinafter referred to as "the Corresponding Patents"), any and all divisions thereof, and an undivided 50% interest in all the rights, powers, liberties and immunities arising or accrued therefrom including the right to sue for damages and other remedies in respect of any infringement of such rights or other acts within the scope of the claims of the specifications accompanying the Corresponding Applications, to the Assignee free from all license charges or other encumbrances.

2. The Assignee hereby accepts such assignment.

3. At the request and cost of the Assignee, the Assignor shall assist the prosecution of said Corresponding Applications to grant and will assist the defense of any proceedings by way of intervention or in opposition to the Corresponding Applications or grant of Corresponding Patents and will execute all such deeds and documents and do all such acts as may be necessary or desirable formally to register this Assignment at the Regional and National Patent Offices associated with any country through the world and to render this Assignment effective under the national law of each Country designated in the Corresponding Applications and to procure the grant of the Corresponding Patents pursuant to the Corresponding Applications.
