Intellectual Property Sale Agreement between
Sleep Solutions Inc.
located at 4667 NW 103rd Av.
Sunrise Fl. 33351

and

Sleepnea LLC, a Minnesota Limited Liability Company
located at 17565 Central Ave NE, Suite 200, Ham Lake, Minnesota 55304

OVERALL: [Your company name] agrees to pay \$25,000 to Sleepnea LLC to acquire ownership of the patents and patent applications listed in Appendix A. As part of this, Sleepnea also agrees to provide 30 hours of consulting services over the span of eight weeks.

CONSULTING SERVICES: The consulting services will analyze the U.S. patent database and other sources to address the following questions: (1) What are the most significant companies in the field of smart mattresses and other bedding products, especially mattresses and other bedding products which provide bed cooling? (2) What are current and projected future trends with respect to the evolution of smart mattresses and other bedding products based on what these companies are doing and also potentially-original insights by Sleepnea? (3) What recommendations does Sleepnea have for Sleep Solutions Inc with respect to intellectual property protection and creation, overall technology strategy, and new product development? Any intellectual property resulting from information created by the consulting services belongs to Sleep Solutions Inc

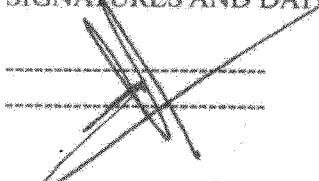

NON-DISCLOSURE: Sleepnea agrees to not disclose information or insights created by these consulting services to any party other than Sleep Solutions Inc during the agreement, and for two years after the end of the agreement, unless required by law (as is usually referenced in NDA agreements).

IMPLEMENTATION TIMELINE: The agreement start date is when both parties have signed the agreement and \$25,000 has been received by Sleepnea. The agreement end date is eight weeks after the start date. Within one week of the start date, Sleepnea will submit documents to the U.S. patent office (USPTO) to initiate assignment of the patents in Appendix A to Sleep Solutions Inc [Your company name] will be responsible for responding to U.S. patent office actions for any pending applications and for paying maintenance fees on issued patents after this assignment is completed. Within four weeks from the start date, Sleepnea will provide to [Your company name] a first-draft report which addresses the three questions listed above and a report of hours expended. Between four and six weeks from the start date, [Your company name] will review the first-draft report and provide Sleepnea with feedback and suggestions for refinement. Between six and eight weeks from the start date, Sleepnea will incorporate the feedback and suggested refinement into a final report and provide the final report to [Your company name] and a report on hours expended.

ADDITIONAL SUPPORT: If Sleep Solutions Inc or its IP attorneys would like Sleepnea's views on how to respond to USPTO office actions for pending patent applications, then Sleepnea may offer views and/or recommendations, but this is at Sleepnea's discretion and not required as part of this agreement.

COMMUNICATION MODE: With the exception of a checking account number, official communication concerning this agreement will be by email and email attachments.
