PATENT ASSIGNMENT

THIS PATENT ASSIGNMENT (this "Patent Assignment"), dated as of May 1, 2024 (the "Effective Date"), is entered into by and between Vista Outdoor Operations LLC, a Delaware limited liability company ("Assignor"), and RCBS Precisioneered Reloading, LLC, a Kansas limited liability company ("Assignee"). Assignor and Assignee are each sometimes referred to herein individually as a "Party" and collectively as the "Parties".

WHEREAS, the Assignor is the owner of the patents and patent applications described on Schedule 1 (the "Patents");

WHEREAS, the Assignor and the Assignee are parties to that certain Asset Purchase Agreement, dated as of the date hereof (the "Purchase Agreement"), pursuant to which, among other things, the Assignor assigned to the Assignee all of the Assignor's right, title, and interest in and to the Patents; and

WHEREAS, capitalized terms used herein and not otherwise defined herein shall have the respective meanings assigned to such terms in the Purchase Agreement.

NOW THEREFORE, for a portion of the consideration set forth in the Purchase Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, as of the Effective Date, the Assignor shall and hereby does sell, transfer, and assign to the Assignee, and its successors and assigns, the Assignor's entire right, title, and interest in the Patents owned by the Assignor, including all reissues, divisions, reexaminations, renewals, extensions, provisionals, substitutions, continuations and continuations-in-part thereof, and all equivalent or similar rights anywhere in the world in inventions and discoveries first disclosed in such Patents therefor, together with all causes of action (whether known or unknown or whether currently pending, filed, or otherwise) and other enforcement rights with respect to the Patents, including causes of action and other enforcement rights for (a) damages, (b) injunctive relief, and (c) any other remedies of any kind, and in each case for past, current, and future infringement, misappropriation, or other violations of any such Patents, including royalties and other payments.

The Assignor hereby authorizes the respective patent office (e.g., the US Patent and Trademark Office, etc.) and all applicable Governmental Entity in each applicable jurisdiction to issue any and all patents, certificates of invention or other similar governmental grants or issuances that may be granted for any of the Patents in the name of the Assignee, as the assignee.

This Patent Assignment and any claim or controversy hereunder shall be governed by and construed in accordance with the Laws of the State of Delaware, without giving effect to the principles of conflict of Laws thereof. Any legal suit, action, or proceeding arising out of or related to this agreement or the assignments granted hereunder may be instituted in the federal courts of the United States or the courts of the State of Delaware, and each Party irrevocably submits to the jurisdiction of such courts in any such suit, action, or proceeding. **EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY ACTION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED**

HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF ANY ACTION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

The Parties hereto agree that irreparable damage would occur if any provision of this Patent Assignment were not performed in accordance with the terms hereof and that the Parties shall be entitled to specific performance of the terms hereof, in addition to any other remedy to which they are entitled at law or in equity.

This Patent Assignment shall inure to the benefit of and be binding upon the Assignee and the Assignor and their respective successors and assigns. This Patent Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Patent Assignment delivered by facsimile, e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Patent Assignment.

[SIGNATURE PAGE FOLLOWS]

IN WITNESS WHEREOF, each of the undersigned has caused this Patent Assignment to be executed and delivered by its duly authorized representative as of the Effective Date.

ASSIGNEE:

RCBS PRECISIONEERED RELOADING, LLC

By:
