PATENT ASSIGNMENT

This Patent Assignment is entered on August 6, 2024 into by and between InQuest, LLC, a limited liability company organized under the laws of the State of Virginia, with offices at 1204 San Antonio St, 2nd Floor, Austin, Texas 78701, USA (hereinafter "Assignor") and OPSWAT Inc., a corporation organized under the laws of the State of Delaware with offices at 5411 Skycenter Dr. Ste. 900, Tampa, FL 33607, USA (hereinafter "Assignee").

WHEREAS, Assignor owns all right, title and interest in and to the following Patent Property:

Title	Country	Filing Date Issue Date	Application No. Patent No.
INTEGRATED NETWORK THREAT ANALYSIS	USA	04/12/2016 05/19/2020	15/097,241 10,659,480

WHEREAS, Assignee desires to acquire all rights, title and interest in the Patent Property from Assignor.

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt and sufficiency whereof are hereby acknowledged, Assignor hereby assigns and transfers to Assignee the entire right, title and interest that Assignor has in the Patent Property, any inventions or improvements disclosed in the Patent Property, any and all other applications and, including, without limitation, divisional, continuation, and substitute, both United States and foreign, which may claim priority to any of the Patent Property, and in any and all Letters Patent of the United States and foreign countries, which may be obtained on any of said applications, and in any reissue, re-examination or extension of such patents, and further assigns to Assignee the priority right provided by the International Convention.

Assignor warrants that Assignor has not assigned any right, title or interest in the Patent Property, or any inventions or improvements disclosed in the Patent Property, to any entity other than Assignee, and further warrants that there are no outstanding prior transfers, licenses, or other encumbrances on the interest herein assigned.

For said considerations Assignor hereby agrees, upon the request and at the expense of Assignee to execute any and all divisional, continuation and substitute applications for the inventions or improvements in the Patent Property, and any necessary oath, affidavit or declaration relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application and any and all applications and other documents for Letters Patent in foreign countries on said inventions or improvements, that Assignee may deem necessary or expedient, and for the said considerations Assignor authorize said Assignee to apply for patents for said inventions or improvements in its own name in such countries where such procedure is proper and further agree, upon the request of Assignee to cooperate to the best of the ability of Assignor with Assignee in any proceedings or transactions involving the Patent Property and any such applications or patents, including the preparation and execution of preliminary statements, giving and producing evidence, and performing any and all other acts necessary to obtain, maintain and enforce said Letters Patent, both United States and foreign, and vest all rights therein hereby

conveyed in Assignee, whereby the Patent Property and said Letters Patent will be held and enjoyed by the Assignee to the full end of the term for which the Patent Property and said Letters Patent will be granted, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment had not been made. In the event Assignee is unable for any reason, after reasonable effort, to secure Assignor's signature on any document required, Assignor hereby irrevocably designates and appoints Assignee and its duly authorized officers and agents as its agent and attorney in fact to act for and on its behalf, for the sole and exclusive purpose to further the above purposes.
