CONFIRMATORY ASSIGNMENT

I, Adriel Carolino, formerly of Benchmark Cosmetic Laboratories, Inc. 17536 Von Karman Avenue, Irvine, CA 92614,

(hereinafter, the "Assignor"), invented by me and others of certain inventions (hereinafter "the Invention") for which the following patent application was filed:

Patent Application No. 63/434,179, filed on December 21, 2022, entitled: "SKIN BARRIER PROTECTIVE DELIVERY SYSTEMS AND METHODS THEREOF"

in the United States Patent and Trademark Office (hereinafter, the "Application").

NOW, THEREFORE, for good and valuable consideration, including salary or payment for the making of the Invention, the receipt and sufficiency of which is hereby acknowledged, I, the said Assignor, do hereby confirm that I, the said Assignor, have assigned, transferred and conveyed the entire right, title, and interest in and to the Inventions, patent applications for Letters Patent, including all divisional, renewal, substitute, continuation, and convention applications based in whole or in part upon the Invention, or upon the Application and every priority right that is or may be predicated upon or arise from the Invention, and worldwide applications to

Benchmark Cosmetic Laboratories, Inc.,

a company having a place of business at 17536 Von Karman Avenue, Irvine, CA 92614 USA (hereinafter "ASSIGNEE"),

as provided in my employment agreement with the Assignee, which I participated in the making, conception, discovery or reduction to practice of the Inventions, which I have duly assigned to Assignee all of my right, title and interest in and to the Inventions, all of which is owned by Assignee.

For the aforesaid consideration, I hereby covenant and agree to and with said Assignee, its successors and assigns, to (i) sign any and all papers and drawings, take all rightful oaths and affidavits, and do all acts necessary or required to be done for the procurement of all lawful rights associated with the Invention, including, but not limited to for a divisional, reissue, continuation, continuation-in-part or extension of the Application when requested by the Assignee, its successors and assigns, its designated counsel or representative; and (ii) fully cooperate with Assignee, its successors and assigns, its designated counsel or representative in any proceeding or action in connection with the Application, or any application or issued patent arising from said Invention anywhere in the world with no additional consideration being owed to any Assignor by Assignee, its successors or assigns; provided, however, that Assignee, its successors or assigns agree to reimburse reasonable expenses incurred by the Assignor that was necessitated by such cooperation.

{11985/011613-US0/03423628.1}

I, the Assignor, hereby appoint any present or future officer of said Assignee, its successors or assigns, as my agent to sign all such papers and to do all such necessary acts on my behalf, to the fullest extent permitted by law.

This confirmatory assignment shall have an effective date of **December 21, 2022**.

I declare under penalty of perjury under the laws of the United States of America, and under penalty of the laws of any other jurisdiction before which this document may be presented, that I have signed this document as my own free act and that all of the foregoing is true and correct.
