(hereinafter referred to as the Application(s)),

AND

Assignee Name	Assignee Address
Circle Internet Group, Inc.	99 High Street, Suite 1701 Boston, MA 02110 United States

(hereinafter referred to as Assignee), is desirous of acquiring the entire right, title, and interest in and to: (1) the Application(s); (2) the one or more inventions disclosed in the Application(s) (hereinafter referred to as the Invention(s)); (3) all embodiments of the Invention(s) heretofore conceived, made or discovered by the Assignor(s); and (4) any and all patents, inventor certificates, registrations, and other forms of protection granted based on the Application(s) and/or related to the Invention(s) in any and all countries and groups of countries throughout the world (hereinafter referred to as Patent(s)).

NOW, THEREFORE, in consideration of good and valuable consideration acknowledged by the Assignor(s) to have been received in full from the Assignee:

1. The Assignor(s) hereby sell, assign, transfer, and convey without limitation to

the Assignee the full and exclusive right, title, and interest (a) in and to the Application(s) and the Invention(s); (b) in and to all rights to apply for intellectual property protection on the Invention(s) in any and all countries or groups of countries pursuant to the International Convention for the Protection of Industrial Property or otherwise; (c) in and to any and all Application(s) filed and any and all Patent(s) granted based on the Invention(s) in any and all countries and groups of countries, including any provisional, non-provisional, conventional, divisional, continuation, substitution, reissue, reexamination, or extension of the Application(s).

2. The Assignor(s) hereby covenant and agree to cooperate with the Assignee to enable the Assignee to enjoy to the fullest extent the right, title, and interest to the Invention(s) herein conveyed in any and all countries and groups of countries. Such cooperation by the Assignor(s) shall include prompt production of pertinent facts and documents, giving testimony, execution of petitions, oaths, specifications, declarations, or other documents, and other assistance all to the extent deemed necessary or desirable by the Assignee (a) for perfecting in the Assignee the right, title, and interest herein conveyed; (b) for prosecuting any of the Application(s); (c) for filing and prosecuting any provisional, non-provisional, conventional, divisional, continuation, substitution, reissue, reexamination, or extension of the Application(s) or otherwise covering the Invention(s); (d) for conducting interference or other priority proceedings involving the Application(s) or the Invention(s); and (e) for legal proceedings involving the Invention(s), the Application(s), and/or any Patent(s) granted thereon, including without limitation opposition proceedings, cancellation proceedings, priority contests, public use proceedings, infringement actions, and court actions; provided, however, that the expense incurred by the Assignor(s) in providing such cooperation shall be paid for by the Assignee.
