ASSIGNMENT

WHEREAS, **SOLATICS LTD**, an Israeli company having a business address at Kibbutz Cabri, Israel 2512000 ("Solatics"), is owner by assignment in and to United States Patent No. US 11,705,854 B2 issued July 18, 2023 ("Patent Property"); and

WHEREAS, **Watershed Geosynthetics LLC**, having a principal place of business at 1125 Sanctuary Place, Suite 180, Alpharetta, GA 30009 ("Assignee"), a Georgia limited liability company, is desirous of acquiring all rights, title, and interest of Solatics in and to the Patent Property.

NOW, THEREFORE, for and in consideration of Five Dollars (\$5.00) or other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Solatics hereby assigns and transfers unto Assignee its entire right, title, and interest in and to said Patent Property, including any divisions, continuations, and reissues thereof, in and to any patents to issue therefrom, and in and to all inventions and improvements disclosed and described in said Patent Property, to Assignee as assignee, for its interest, use and behoof and its assigns and legal representatives.

For the same consideration, Solatics does hereby sell, assign, and transfer to Assignee a right to claim in any continuation-in-part patent application in the United States and in any foreign country throughout the world other than in the State of Israel, any applicable priority rights arising from or required for such continuation-in-part patent application under the terms of any applicable conventions, treaties, statutes, or regulations; said continuation-in-part patent applications to be filed and issued in the name of Assignee or its designee insofar as permitted by applicable law.

AND, for the same consideration, Solatics agrees, at Assignee's sole cost and expense, generally to do everything possible to aid Assignee, its successors, assigns, and nominees, to enforce proper protection for all said inventions and improvements disclosed and claimed in the Patent Property.
