ASSIGNMENT

For and in consideration of the payments for the employment of each of the Undersigned Inventors including any payments under separate agreements and other valuable consideration, the receipt and sufficiency of which is hereby acknowledged, each of the Undersigned Inventors:

Yong Qin Chen of 4097 Cortona Court, San Jose, California 95135 USA

hereby sells and assigns to **IRIS International, Inc.** (the Assignee), having a place of business at 9172 Eton Avenue, Chatsworth, California 91311, USA, his or her entire right, title and interest for the United States of America (as defined in 35 U.S.C. § 100) and throughout the World in all invention(s) described or claimed in:

United States Patent Application 14/555102 **filed** November 26, 2014

United States Patent Application _____ **filed** _____

PCT Application _____ **filed** _____

and in any and all applications thereon concerning:

Flow Cytometer

including all rights under the Paris Convention for the Protection of Industrial Property, and in any and all Letters Patent(s), Design Patents or Utility Model Patents (hereinafter 'Patents') therefor, and in any and all reissues, extensions, renewals, reexaminations of such applications or Patent(s) and divisional, continuation and continuations-in-part applications thereof, to the full end of the term or terms for which such Patent(s) issue, including all claims, if any, that may have arisen for infringement prior to the date of this Assignment, not only for, to, and in the United States of America, its territories and possessions, but for, to and in all other countries; and it has been and is hereby authorized and requested that the appropriate government agencies issue said Patents to Iris International, Inc., in accordance with this Assignment.

Each Undersigned Inventor agrees to reasonably cooperate with the Assignee, to enable Assignee to enjoy to the fullest extent the right, title and interest herein conveyed in the United States and foreign countries. Such cooperation by each Undersigned Inventor includes prompt production of pertinent facts and documents, giving of testimony, execution of petitions, oaths, specifications, declarations or other papers, and other assistance all to the extent deemed necessary or desirable by Assignee, (a) for perfecting the right, title and interest herein conveyed; (b) for prosecuting any of said applications; (c) for filing and prosecuting applications for reissuance of any of said patents; (d) for interference or other priority proceedings involving said invention; and (e) for legal proceedings involving said invention and any applications therefor and any patents granted thereon, including without limitation opposition proceedings, cancellation proceedings, priority contests, public use proceedings, infringement actions and court actions; provided, however, that reasonable expenses incurred by each Undersigned Inventor in providing such cooperation shall be paid for by Assignee.

The terms and covenants of this assignment shall inure to the benefit of said Assignee, its successors, assigns and other legal representatives, and shall be binding upon each Undersigned Inventor, their respective heirs, legal representatives and assigns.

Each such Undersigned Inventor hereby represents that he or she has full right to convey the entire interest herein assigned, and that he or she has not executed, and will not execute, any agreement in conflict therewith.

Each such Undersigned Inventor hereby grants the practitioners associated with **CUSTOMER NUMBER 129381** the power to insert in this Assignment any further identification that may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.

Each such Undersigned Inventor declares under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

IN WITNESS WHEREOF, this Assignment is executed by each such Undersigned Inventor on the date opposite his or her name.

Yong Qin Chen of 4097 Cortona Court, San Jose, California 95135 USA
