## ASSIGNMENT

WHEREAS, I, Robin Heese, have invented a certain invention, as described in the following patent applications:

U.S. Patent Application No. 17/276,087 filed on March 12, 2021, entitled “MIXING  
DEVICE HAVING A STIRRING ELEMENT, AND MIXING DEVICE  
SYSTEM,”

which application is referred to as “the patent application.”

WHEREAS, Sartorius Stedim Systems GmbH, having a place of business at Robert-Bosch-Straße 5-7, 34302 Guxhagen, Germany, desires to acquire an interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, I, Robin Heese, hereby sell, assign, and transfer to Sartorius Stedim Systems GmbH the full and exclusive right, title, and interest in and to said invention, patent application, and patent rights throughout the world, including foreign patent priority rights, the right to file and prosecute International Applications under the Patent Cooperation Treaty, and the right to file and prosecute applications under the European Patent Convention; said invention, patent application, and letters patent in this or any foreign country, and all corresponding non-provisional applications, divisions, continuations, continuations-in-part, reissues, and extensions thereof, to be held and enjoyed by Sartorius Stedim Systems GmbH, for its own use and benefit, and for its successors and assigns to the full end of the term for which letters patent may be granted by the United States or any foreign country, as fully and entirely as the same would have been held by us had this assignment and sale not been made, and covenant that I have full right so to do, and agree that I will communicate to Sartorius Stedim Systems GmbH, or its successors and assigns, any facts known to us respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, and reissue applications, make all rightful oaths, and do everything possible to aid Sartorius Stedim Systems GmbH, its successors, and assigns to obtain and enforce proper patent protection for said invention in the United States or any foreign country.

I confirm that, at the time the invention was made, I was under an obligation to assign the

invention to Sartorius Stedim Biotech GmbH.

I hereby grant the law firm of Klarquist Sparkman, LLP, the power to insert on this Assignment any further information that may be necessary or desirable in order to comply with all applicable legal requirements, including the rules of the United States Patent and Trademark Office, for submitting and recording this document.

Executed at Bebra-Gilfershausen, Germany, this 23th day of  
August, 2024.
