B. C. Pursuant to the Canadian Security Agreement and the Supplemental Patent Security Agreement, the Company granted to the Collateral Agent (and its successors and permitted assigns), for the benefit of the Secured Parties, a security interest in all right, title and interest of the Company in, among other things, the Released Patent Collateral, which security interests were recorded with the United States Patent and Trademark Office on December 6, 2019 at Reel/Frame No. 051211/0474.
