**ASSIGNMENT AGREEMENT
FOR ASSIGNMENT TO RESEARCHERS
OXFORD UNIVERSITY INNOVATION
OUI Project Number 13128 Wet Surface Detection**

THIS AGREEMENT dated 16 March 2023 | 07:46 GMT

is made

BETWEEN:

- (1) **Oxford University Innovation Limited**, a company registered in England under number 2199542 and whose registered office address is at the University Offices, Wellington Square, Oxford OX1 2JD, England (the "Assignor"); and
- (2) **Leonard Pincher** whose residential address is 8 Humphreys Close, Forncett St Peter, NORWICH, Norfolk, NR161LX (the "Assignee").

AGREEMENT:

1 Interpretation

- 1.1 Words and expressions used in this agreement have the meaning set out in the schedule.
- 1.2 Any phrase introduced by the term "including", "including ", "in particular" or any similar expression will be construed as illustrative and will not limit the sense of the words preceding that term.

2 Assignment

In consideration of the covenant in clause 3 and subject to the conditions described in clause 5 and clause 4 below, the Assignor assigns to the Assignees with effect on and from the Effective Date, all its right, title and interest in and to:

- 2.1 the Technology and the Application;
- 2.2 such rights as the Assignor may have to sue for and obtain injunctive relief, damages and other relief in respect of any infringement or misuse of the Technology and the Application;
- 2.3 all copyright, design right and other intellectual and industrial property rights in the Technology and the Application to which the Assignor is now entitled under the laws in force in any part of the world, whether vested, future, contingent and including, any extensions, renewals, reversions and accrued rights of action; and
- 2.4 the right to apply for prosecute, defend, maintain and renew patent or other similar protection in any territory or group of territories in respect of the Technology, and the right to claim priority under the International Convention for the Protection of Industrial Property and under any other relevant international convention or treaty for each country of the union constituted by the relevant convention in which application may be made by the Assignees.

3 Patent Costs

- 3.1 The Assignee shall pay the Past Patent Costs to the Assignor. However, the Assignee is not obliged to pay these other than from any capital or income that may be earned from commercialising the Technology or Application ("revenue"). Acting in good faith at all times, for so long as any Past Patent Costs remain outstanding to the Assignor, the Assignee shall declare such revenue to the Assignor within one month of becoming entitled to it and pay 50% of the gross amount of the revenue in reimbursement of the Past Patent Costs. The Assignee shall not assign the Technology or Application in whole or part without making

the assignment subject to this clause and any purported assignment made in breach of this obligation shall be invalid.

- 3.2 For the avoidance of doubt, the Assignees shall, with effect on and from the Effective Date, be solely responsible for any costs incurred on and from the Effective Date in maintaining prosecuting, defending or renewing the Application and shall indemnify the Assignor against these costs.

4 Licence Back to the University

The Assignees grant to the Assignor an irrevocable right in perpetuity for (i) the University and those persons who at any time work or have worked on the Technology to use the Technology for Academic and Research Purposes; and (ii) for those persons who at any time work or have worked on the Technology to use the same for the purpose of Clinical Patient Care. The right granted at (i) includes the right for the University to license the Technology to any of its collaborators in connection with and solely for the purposes of the University's Academic and Research Purposes; but it does not include the right to grant any licence to commercially exploit the Technology. For the purposes of this clause, "Academic and Research Purposes" means research, teaching or other scholarly use which is undertaken for the purposes of education and research and "Clinical Patient Care" means diagnosing, treating and/or managing the health of persons under the care of an individual having the right to use the Technology in the event that such Technology is capable of application in a healthcare setting without further development.

5 Undertaking by Assignee

The Assignee hereby irrevocably undertakes to the Assignor and to the University of Oxford not to change its name to, or trade under, any name which includes the word "Oxford".

6 General

- 6.1 The parties to this agreement intend that by virtue of the Contract (Rights of Third Parties) Act 1999 the University and the people referred to in clause 4 will be able to enforce the terms of this agreement intended by the parties to be for their benefit as if the University and the people referred to in clause 4 were party to this agreement. Save as provided in this clause, the Contract (Rights of Third Parties) Act 1999 shall not give any third party any rights in respect of this agreement.
- 6.2 This agreement, is governed by English Law and the parties submit to the exclusive jurisdiction of the English Courts for the resolution of any dispute which may arise out of or in connection with this agreement save for injunctive relief which may be sought in any court of competent jurisdiction.
