(hereinafter referred to as "Invention") for which I/we am/are making application(s) for International Application and Letters Patent in the United States of America;

Whereas, ID4PHARMA, LLC, a limited liability company of Pennsylvania, having a place of business at 1840 Mayview Rd., Suite 106/111, Bridgeville, Pennsylvania 15017, ("Assignee"), desires to acquire, and Inventors desire to grant to Assignee, a 100% undivided interest in said Invention, the entire worldwide right, title, and interest in and to the Invention and in and to any and all patent applications and patents directed thereto, including but not limited to the Invention;

Now, this indenture witnesseth, that for the sum of One dollar (\$1.00), and other good and valuable consideration, the receipt whereof is hereby acknowledged;

I/We hereby assign, sell and transfer a 100% undivided interest in said Invention, said application including any divisions, continuations, and continuations-in-part thereof, and in and to any and all Letters Patent of the United States, and countries foreign thereto, which may be granted for said Invention, and in and to any and all priority rights, convention rights, and other benefits accrue to me/us with respect to the filing of

applications for patents or securing of patent in the United States and countries foreign thereto, unto said Assignee;

And I/We hereby authorize and request the Director of the United States Patent and Trademark Office to issue said United States Letters Patent and foreign patent authorities to issue any foreign patent granted for the Invention to said Assignee, and assignee of the whole right, title and interest thereto;

And I/We further agree to execute all necessary and lawful future documents, including assignments in favor of Assignee, or its designees as Assignee or its Assignees may from time-to-time present to me in order to perfect title in said Invention, modifications, and improvements in said Invention, applications and Letters Patents of the United States and countries foreign thereto;

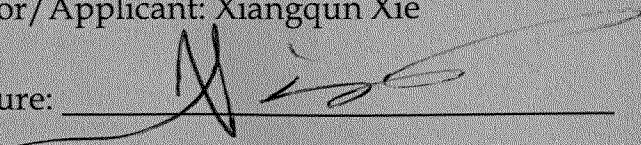

And I/We further agree to sign and properly execute such necessary and lawful papers for application for foreign patents, for filing divisions, continuations and continuations-in-part of said application patent, and/or, for obtaining any resissue or reissues of any Letters Patent which may be granted for my aforesaid Invention, as the Assignee thereof shall hereafter require and prepare at its own expense.

This Patent Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Patent Assignment delivered by facsimile, e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Patent Assignment.

IN WITNESS WHEREOF, we have respectively hereunto set our hands and/or seals.
