ASSIGNMENT

In consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, we, Ronald Jones, Adrian Gropper, Robert Hagopian, Charles Rogers, Thomas J. Vitella, Donald E. Barry, Jr., Dirk Osterloh, Chen Yi, and Tyler Cote, the undersigned, hereby

Sell, assign and transfer to Medica Corporation, a Massachusetts corporation having a principal place of business at 5 Oak Park Drive, Bedford, MA 01730, its successors, assigns and legal representatives, all hereinafter referred to as the Assignee, the entire right, title and interest for the United States and all foreign countries, to the extent not already transferred to the Assignee by agreement or otherwise, in and to any and all inventions which are disclosed in the applications for United States Letters Patents entitled AUTOMATED MICROSCOPIC CELL ANALYSIS, the specifications of which were filed on November 26, 2014 under application number 62/084,760, on February 6, 2015 under application number 62/113,360, on March 25, 2015 under application number 62/138,359, on November 20, 2015 under application number 14/947,971, on February 5, 2016 under application number 15/017,498, and on July 27, 2016 under application number 15/221,285 in and to said application and all divisional, continuing, continuation-in-part, substitute, renewal, reissue and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said inventions; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said inventions including the right to apply for patent rights in each foreign country and all rights to priority.

Agree that said Assignee may apply for and receive Letters Patent for said inventions in its own name; and when requested, without charge to but at the expense of said Assignee, agree to carry out in good faith the intent and purpose of this assignment by executing all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said inventions, by executing all rightful oaths, assignments, powers of attorney and other papers, by communicating to said Assignee all facts as known to us relating to said inventions and the history thereof, and generally by doing everything possible which said Assignee shall consider desirable for aiding in

securing and maintaining proper patent protection for said inventions and for vesting title to said inventions and all applications for patents and all patents on said inventions, in said Assignee.

Hereby request the Honorable Commissioner of Patents and Trademarks to issue said Letters Patent to said Assignee.

Covenant with said Assignee that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by us, and that full right to convey the same as herein express is possessed by me.
