PATENT ASSIGNMENT

This PATENT ASSIGNMENT (this "Assignment"), dated August 16, 2024, is made by and between Vektor Medical, Inc., a Delaware corporation ("Seller") and The Vektor Group, Inc., a Delaware limited liability company ("Purchaser").

WHEREAS, Seller is the owner of the Assigned Patents identified on Schedule A-1 (Assigned Patents).

NOW THEREFORE, Seller does hereby assign, sell and transfer unto Purchaser, its successors and assigns, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the entire right, title and interest in and to the Assigned Patents, and in and to any continuations, continuations-in-part and foreign counterparts of the Assigned Patents, together with the right to sue for past, present or future infringements thereof and to recover damages and obtain all other remedies in respect to any such infringements thereof. This Assignment may be recorded with any governmental body in order to perfect the ownership interest of Purchaser.

Seller agrees, without further consideration, to execute all oaths, assignments, powers of attorney, applications and other papers reasonably necessary to secure to Purchaser the right, title and interest conveyed herein, and to take such further actions as may be reasonably requested by Purchaser in order to carry out the provisions and purposes of this Assignment including, without limitation, to execute one or more further assignments covering the Assigned Patents in a form acceptable for recordation in both the United States Patent and Trademark Office and in foreign patent offices.
