## Employee Agreement

Employee Name: Alexander Olmann

In consideration of my continued employment by International Medical Industries Inc., and any of their affiliates, divisions, and/or subsidiaries (hereinafter "IMI"), and for other goods and valuable consideration, the receipt of which is hereby acknowledged, employee ("I, me, or my") agrees to the following:

That any inventions, concepts, creations, or discoveries, whether or not patentable, which I may conceive, reduce to practice or make, either alone or in conjunction with others, at any time during my employment with IMI, including all patents, copyrights, rights pursuant to 17 U.S.C. § 106A, trademarks (and goodwill), slogans, and/or other rights, and all registrations and extensions/renewals therefor, in the United States and throughout the world, are the sole and exclusive property of IMI, including all right, title, and interest thereto, for IMI's own use and enjoyment, including for IMI to license, assign, and transfer to others, such as to Medical Device Engineering, LLC, in IMI's sole discretion, without further compensation to me.

You will execute any and all applications, declarations, assignments and other instruments which the Company deems necessary in order for the Company to apply for and obtain letters patent of the United States and of foreign countries for any invention, creation, or discovery for which you were an inventor or co-inventor, and any other documents deemed necessary in order to assign and convey to the Company or to the Company's designee, the sole and exclusive, right, title, and interest in and to any such inventions, creations, or discoveries, and/or any applications or patents thereon, including any continuing, divisional, or reissue patent applications for which you were an inventor, co-inventor, author, co-author, etc., and also any other documents deemed necessary in order to obtain and/or assign trademark registrations, copyright registrations, industrial property certificates, or any other intellectual property right or other proprietary rights.

In addition, You agree that failure to comply with the foregoing will cause the Company harm, and You agree that You will be responsible for payment of any and all attorneys' fees and costs incurred by Company as a result of Your failure to execute and/or assign any such applications, declarations, assignments and other instruments which the Company deems necessary.
