PATENT ASSIGNMENT

This PATENT ASSIGNMENT (this "Assignment") is effective as of October 1, 2021 (the "Effective Date") by and among **E.I. Du Pont De Nemours and Company**, a Delaware corporation registered under Number 48306, ("ASSIGNOR"), and **Corteva Agriscience LLC**, a Delaware limited liability company registered under Number 2768592 ("ASSIGNEE").

BACKGROUND

WHEREAS, ASSIGNOR has transferred certain assets to ASSIGNEE as of October 1, 2021, pursuant to which ASSIGNOR is assigning, transferring and conveying certain assets to ASSIGNEE (including, without limitation, all of ASSIGNOR's right, title and interest in the scheduled patents listed on the attached Schedule A (herein defined as "PATENTS").

TERMS

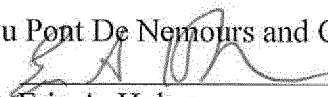

NOW THEREFORE, in consideration of the above premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and with the intent to be legally bound, the parties hereto hereby agree as follows:

Effective as of the Effective Date, ASSIGNOR hereby assigns, transfers and conveys all right, title and interest in and to all PATENTS, including all associated granted patent rights held by ASSIGNOR, together with any and all applications for patent for any such inventions in any country whatsoever, including all provisional, non-provisional, divisional, renewal, substitute, continuation, continuations-in-part, international and convention applications of the PATENTS, all claims, demands and rights to recovery that ASSIGNOR has or may have for past and future infringements, dilution or other violations of such PATENTS, if any, and all rights to compromise, sue for, and collect on such claims, demands and rights to recovery.

ASSIGNOR and ASSIGNEE shall each take, and shall cause their respective Affiliates to take, any and all additional actions as may be necessary or appropriate to effect the assignment transactions contemplated, including but not limited to execution of individual assignment documentation for filing with the authorities of each individual country. The responsibility to draft and file assignments with the national patent offices of each country shall be on the ASSIGNEE and the ASSIGNEE shall bear the cost of filing such assignments.

IN WITNESS THEREOF, the parties hereto have caused this Assignment to be executed as of this 7 day of July 2022 to be effective as of the Effective Date.

E.I. Du Pont De Nemours and Company

By: 

Name: Eric A. Hobson

Title: Assistant Secretary

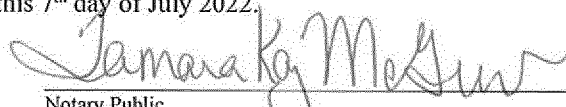

UNITED STATES OF AMERICA)
STATE OF INDIANA) SS
County/Parish of Marion)

NOTARIAL CERTIFICATE

On this 7th day of July, 2022, personally appeared before me Eric A. Hobson, known to me to be the person whose name is subscribed to the foregoing instrument, and known to be to be Assistant Secretary of E.I. Du Pont De Nemours and Company; and he acknowledged to me that he executed said instrument for the purposes and consideration therein expressed and as the act of the said Company.

Given under my hand and seal of office this 7th day of July 2022.

Notary Public
Tamara Kay McGrew
Hendricks County, State of Indiana
Commission Number 701983
My Commission Expires August 2, 2025

Corteva Agriscience LLC

By: 

Name: Kurt Van Thomme

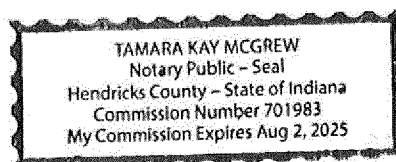

Title: Associate General Counsel

UNITED STATES OF AMERICA)
STATE OF INDIANA) SS
County/Parish of Marion)

NOTARIAL CERTIFICATE

On this 7th day of July, 2022, personally appeared before me Kurt Van Thomme, known to me to be the person whose name is subscribed to the foregoing instrument, and known to be to be Associate General Counsel of Corteva Agriscience LLC; and he acknowledged to me that he executed said instrument for the purposes and consideration therein expressed and as the act of the said Company.

Given under my hand and seal of office this 7th day of July 2022.

Notary Public
Tamara Kay McGrew
Hendricks County, State of Indiana
Commission Number 701983
My Commission Expires August 2, 2025
