## INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

THIS INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT (this “**IP Assignment**”), dated as of this 4th day of October, 2024, is made by MUNRO’S UNIFORM SERVICES, L.L.C., a Texas limited liability company (“**Assignor**”), in favor of CINTAS CORPORATION NO. 2 dba CINTAS CORPORATION, a Nevada corporation (“**Assignee**”). Capitalized terms used but not defined herein shall have the meanings ascribed to them in the Purchase Agreement (as defined herein).

### RECITALS

WHEREAS, Assignor and Assignee are each parties to that certain Asset Purchase Agreement, dated of even date herewith (the “**Purchase Agreement**”), where Assignee (as Purchaser) is purchasing substantially all of the non-real estate assets of Assignor (as Seller) (such assets, the “**Purchased Assets**”), pursuant to the terms and conditions thereof (the “**Transaction**”);

WHEREAS, included in the Purchased Assets owned by Assignor, are certain intellectual property assets of Assignor (as described more fully herein, the “**Assigned IP**”); and

WHEREAS, in furtherance of the Transaction, Assignor desires to sell, assign, transfer, and convey the Assigned IP, including all of Assignor’s right, title, and interest in or to the Assigned IP to Assignee, and Assignee desires to accept the sale, assignment, transfer, and conveyance of the same, consistent with the terms of this IP Assignment.

NOW, THEREFORE, for good and valuable consideration, the receipt and legal sufficiency of which are hereby acknowledge, the parties to this IP Assignment, intending to be legally bound, hereby agree as follows:

### AGREEMENT

1. Assignment. In consideration for Assignee’s payment of the Purchase Price, Assignor hereby irrevocably conveys, transfers, and assigns to Assignee, and Assignee hereby accepts, all of Assignor’s right, title, and interest in and to the following the Assigned IP, which includes, without limitation, the following:

(a) any inventions and discoveries, whether patentable or not, and all patents, registrations, invention disclosures and applications therefor, including divisions, continuations, continuations-in-part, renewal applications, and renewals, and including, without limitation, the patents set forth on Schedule I (the “**Patents**”);

(b) all federal, state (including common law), and foreign trademarks, service marks, trade dress, logos, trade names, assumed names, corporate names, company names and other proprietary indicia of goods and services of the Assignor, whether registered or unregistered (the “**Trademarks**”), together with the goodwill of the business of Assignor connected with the use of, and symbolized by, the Trademarks;

(c) all works of creative authorship, including, without limitation, copyrights or similar rights of the Assignor, whether registered, unregistered, or arising by any applicable law of any jurisdiction throughout the world and all registrations and applications for registration of such copyrights, issuances, extensions and renewals of such registrations and applications, and related proprietary rights, interests and protections, however arising, pursuant to any such law (the “**Copyrights**”);

(d) all registered and unregistered design rights, and rights in the nature of design rights and the right to apply for registered design or similar protection conferred by the law by any jurisdiction (the “**Industrial Designs**”);

(e) all domain names and social media accounts owned by Assignor or registered on behalf of Assignor in the name of an employee, agent, or other third party and the content/web sites displayed at or on such domain names and social media accounts, including, but not limited to, the domain name registrations and all associated content and web sites associated with any of the foregoing (the “**Domain Name Registrations**”);

(f) trade secrets and confidential, non-public or proprietary business information including, without limitation, ideas, formulas, compositions, documentation, operating manuals and guides, equipment lists, computer systems and software, specifications, proposals, technical data, financial, marketing and business data, pricing and cost information, business and marketing plans, customer and supplier lists, licensing records, advertising and promotional materials, service and parts records, and all other know-how, and any agreements with any agent, employee, or other third party necessary to protect the foregoing (the “**Trade Secrets**”);

(g) all rights of any kind whatsoever of Assignor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world;

(h) any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

(i) any and all claims and causes of action with respect to any of the foregoing, whether accruing before, on, or after the date hereof, including all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and future infringement, dilution, misappropriation, violation, misuse, breach, or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Recordation and Further Actions. Assignor hereby authorizes the Commissioner for Patents and the Commissioner for Trademarks in the United States Patent and Trademark Office, and the Register of Copyrights in the United States Copyright Office, and the officials of corresponding entities or agencies in any competent jurisdictions, as applicable, to record and register this IP Assignment upon request by Assignee. Following the date hereof, upon Assignee’s

reasonable request, and at Assignee's sole cost and expense, Assignor shall take such steps and actions, and provide such cooperation and assistance to Assignee and its successors, assigns, and legal representatives, including the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, or other documents, as may be necessary to effect, evidence, or perfect the assignment of the Assigned IP to Assignee, or any assignee or successor thereto.

3. Terms of the Asset Purchase Agreement. The parties hereto acknowledge and agree that this IP Assignment is entered into pursuant to the Purchase Agreement, to which reference is made for a further statement of the rights and obligations of Assignor and Assignee with respect to the Assigned IP. The representations, warranties, covenants, agreements, and indemnities contained in the Purchase Agreement shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein. In the event of any conflict or inconsistency between the terms of the Purchase Agreement and the terms hereof, the terms of the Purchase Agreement shall govern.

4. Counterparts. This IP Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed one and the same agreement. A signed copy of this IP Assignment delivered by facsimile, e-mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this IP Assignment.

5. Successors and Assigns. This IP Assignment shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

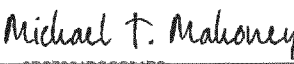

6. Governing Law. Section 7.4 of the Purchase Agreement shall apply to this IP Assignment *mutatis mutandis*.
