ASSIGNMENT

WHEREAS Martin Post whose full post office address is 5 Austin Crescent, Toronto, Ontario Canada M5R 3E4, and Michael Litvack whose full post office address is 44 St. Joseph Street, Toronto, Ontario Canada M4Y 2W4 are inventors of an invention entitled:

ALVEOLAR-LIKE MACROPHAGES AND METHOD OF GENERATING SAME

Described in US Patent Application Serial No. 15/672432 filed August 9, 2017, which is a continuation-in-part application based on PCT Application No. PCT/CA2016/050128 filed February 11, 2016, which claims priority to US provisional application no. 62/114851 filed February 11, 2015 (hereinafter the Patent Application);

AND WHEREAS the Inventors (hereinafter referred to as the Assignors) have agreed that The Hospital for Sick Children, whose full address is c/o PGCRL, 3rd Floor, 686 Bay Street, Toronto, Ontario Canada M5G 0X4 (the "Assignee"), is to acquire from the Assignors their whole right, title and interest in and to the invention disclosed in the Patent Application, and all patent applications and patent registrations and patents related thereto and to be granted therefor in Canada and throughout the world, including any and all divisionals and continuations thereof;

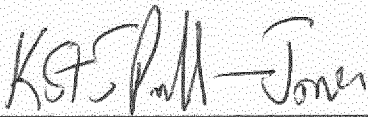

NOW THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration paid to the Assignors by the Assignee, the receipt and sufficiency of which is hereby acknowledged, the Assignors confirm that they have sold, assigned and transferred and do hereby sell, assign, transfer and set over unto the said Assignee and its successors and assigns, its whole right, title and interest in and to the said inventions and the Patent Application and to patents to be granted therefor in Canada, the United States and throughout the world, including any and all divisionals or continuations thereof, and any improvements thereto and all patent applications for said improvements and patents which may be issued for said improvements in Canada and throughout the world, to have and to hold for the use of the Assignee and the use of its successors and assigns as fully and entirely as the same might be enjoyed by the Assignors if this sale and assignment had not been made;

AND FOR THE SAME CONSIDERATION, the Assignors agree that they will, without further consideration, do all such things and execute all such documents as may reasonably be necessary or desirable to obtain and maintain the Patent Application for the inventions and for

any improvements thereto in Canada and throughout the world and to vest title to the inventions in the Assignee, its successors, assigns and legal representatives or nominees.

SIGNED as of April 7, 2021.
