Assignor hereby acknowledges that Assignor retains no right to use the Property and agrees not to challenge the validity of the Company’s ownership of, or intellectual property rights in, the Property.

2. Upon each request by the Company, without additional consideration, Assignor agrees to promptly execute documents, testify and take other actions at the Company’s expense as the Company may deem necessary or desirable to procure, maintain, perfect, and enforce the full benefits, enjoyment, rights, title and interest, on a worldwide basis of the Property assigned under this Agreement, and render all necessary assistance in making application for and obtaining original, continuing, divisional, renewal, or reissued utility and design patents, copyrights, mask works, trademarks, trade secrets, and all other technology and intellectual property rights throughout the world related to any of the Property, in the Company’s name and for its benefit. 3. Assignor shall deliver to the Company upon execution of this Agreement any and all tangible manifestations of the Property, including, without limitation, all notes, records, files and tangible items of any sort in its possession or under its control relating to the Property. Assignor agrees to promptly inform the Company of any such claim arising or threatened in the future with respect to the Property or any part thereof.

6. Assignor will indemnify and hold harmless the Company, from any and all claims, losses, liabilities, damages, expenses and costs (including attorneys' fees and court costs) which result from a breach or alleged breach of any representation or warranty of Assignor (a "*Claim*") set forth in this Agreement, provided that the Company gives Assignor written notice of any such Claim and Assignor has the right to participate in the defense of any such Claim at its expense.

7.
