#### **IL A ETE CONVENU CE QUI SUIT**

##### **Article 1**

Par les présentes, la Cédante confirme le transfert de propriété des demandes de brevets et des brevets qui figurent en Annexe 1 au présent Acte Confirmatif de Transfert de Propriété, au profit de la Cessionnaire qui l'accepte.

La Cédante confirme également la cession à la Cessionnaire du droit de priorité sur les demandes de brevets visées en Annexe 1, conformément à l'article 4 de la Convention de Paris, pour les dépôts au nom de la Cessionnaire dans tous pays, et en particulier dans les pays faisant partie de la Convention de Paris et/ou de l'Organisation Mondiale du Commerce, de toute demande de brevet nationale, internationale (PCT) ou régionale correspondante, et notamment de toute demande de brevet européen (EP).

##### **Article 2**

En conséquence, la Cessionnaire est subrogée dans tous les droits et obligations de la Cédante en ce qui concerne les Brevets. La Cessionnaire en devient seule propriétaire. La Cessionnaire pourra notamment les exploiter, en concéder des licences à des tiers, aliéner librement ses droits et poursuivre les contrefacteurs même pour des faits antérieurs à la Date de Réalisation.

2. As a result of this partial contribution of assets, the Assignee holds all the rights and obligations of the contributed branch of business, including those omitted from the Contribution Agreement.
3. The Parties hereby confirm that the Assignee is the owner, by virtue of this partial contribution of assets, of all the patent applications, the priority rights attached thereto and the patents listed in Appendix 1 to this deed confirming the transfer of ownership, hereinafter together referred to as the "Patents", in return for the fair and valuable consideration contained in this partial contribution of assets agreement.
4. The purpose of this deed is to confirm this transfer of ownership of the Patents, with a view to registering it with the various patent offices concerned.

#### **THE FOLLOWING HAS BEEN AGREED UPON**

##### **Article 1**

The Assignor hereby confirms the transfer of ownership of the patent applications and patents listed in Annex 1 to this Deed of Confirmation of Transfer of Ownership to the Assignee, who accepts it.

The Assignor also confirms the assignment to the Assignee of the right of priority over the patent applications referred to in Appendix 1, in accordance with Article 4 of the Paris Convention, for the filing in the name of the Assignee in all countries, and in particular in countries that are part of the Paris Convention and/or the World Trade Organisation, of any corresponding national, international (PCT) or regional patent application, and in particular of any European patent (EP) application.

##### **Article 2**

Consequently, the Assignee is subrogated to all the rights and obligations of the Assignor in relation to the Patents. The Assignee becomes the sole owner. The Assignee may, in particular, exploit them, grant licences to third parties, freely dispose of its rights and take legal action against infringers, even for acts committed prior to the Completion Date.

**Article 3**

La présente confirmation ne modifie pas les conditions du transfert précédemment intervenu entre les Parties dans le cadre du traité d'apport partiel d'actif signé par les parties le 22 novembre 2023.

**Article 4**

Tous pouvoirs sont donnés au porteur d'un exemplaire de ce contrat pour procéder à l'inscription de ce transfert de propriété auprès des offices de brevets concernés.

**Article 3**

This confirmation does not alter the terms of the transfer previously agreed between the Parties under the partial asset contribution agreement signed by the parties on November 22, 2023.

**Article 4**

Full powers are given to the bearer of a copy of this contract to register this transfer of ownership with the relevant patent offices.
