ASSIGNMENT

WHEREAS, We Jeffrey T. Mason, a resident of Escondido, California, and Jerome Yoder, a resident of Ft. Wayne, Indiana, United States of America, herein after referred to as the "Assignors" have participated jointly as inventors in the invention of certain new and useful improvements as described and set forth in an application for Letters Patent of the United States entitled **FLEXION AND EXTENSION RANGE LIMITING HINGE FOR AN ORTHOPEDIC BRACE** having US application serial no. 15/608,599 filed on 05/30/2017 and relying on the priority of US provisional application serial no. 62/343,568 filed on 05/31/2016;

WHEREAS, United Surgical, Inc. a corporation of the State of Indiana, having an address of 2235 Pennsylvania Street, Ft. Wayne, IN 46803, hereinafter referred to as "Assignee", desires to acquire the Assignors entire interest in and to said application, said inventions, said improvements, and any and all Letters Patent which may be granted thereon in the United States or any foreign country;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged by Assignors,

1. Assignors hereby sell, assign, transfer and convey to Assignee their entire interest in and to said provisional application, said application, said invention and said improvements and all worldwide rights that may be derived therefrom, and in and to any and all Letters Patent on said invention and improvements that may be granted by the United States or any foreign country, including any divisions, substitutions, continuations in whole or in part, conversions, reissues, additions or extensions thereof, said interest to be held and enjoyed by Assignee as fully and exclusively as it would have been held and enjoyed by said Assignors had this Assignment and transfer not been made.

2. Assignors hereby covenant, warrant and represent that they have not heretofore granted any license, right or privilege with respect to said applications, invention or improvements or in any other way encumbered the same, and that they have the full right to make this Assignment.

3. Assignors further agree that at the request and expense of Assignee, but without charge to said Assignee, they will promptly execute all papers necessary or desirable to perfect ownership of said invention, improvements, applications or said Letters Patent, in said Assignee, and will execute all oaths and other papers, within the truth, that are necessary or desirable for prosecuting said application, for use in interference proceedings involving said invention or improvements, for refilling said applications, for filing of said divisional, substitution, continuation or continuation-in-part applications covering said invention or improvements which are deemed necessary or desirable by Assignee, for reissuance or reexamination of said Letters Patent, or for the

filing in foreign countries of applications for Letters Patent covering said invention or improvements.

4. The terms, covenants and provisions of this Assignment shall inure to the benefit of Assignee, its successors, assigns and other legal representatives, and shall be binding upon Assignors, their heirs, legal representatives and assigns.

IN TESTIMONY WHEREOF, we have executed and delivered to Assignee this instrument on the date shown.
