## Intellectual Property Security Agreement

This Intellectual Property Security Agreement (as from time to time amended, modified, restated, supplemented and in effect, this "Security Agreement") is entered into as of October 1, 2024, by Rational Packaging, LLC, a Delaware limited liability company (the "Grantor"), to and in favor of Compass Group Diversified Holdings LLC, a Delaware limited liability company ("Secured Party"), pursuant to the terms of that certain Guarantee and Collateral Agreement, originally dated as of February 15, 2018 (as amended through the date hereof and as the same may be further amended, supplemented or otherwise modified from time to time, the "Collateral Agreement") among the Secured Party and the other grantors party thereto.

Pursuant to a Membership Interest Purchase Agreement, dated as of June 14, 2024, Foam Fabricators, Inc., a Delaware corporation, one of the existing grantors under the Collateral Agreement, has purchased all of the remaining issued and outstanding equity interests of the Grantor from the sellers therein and as a result has become the sole member and owner of the Grantor.

Pursuant to the Collateral Agreement, the Grantor is required to grant a security interest in its Collateral (as defined therein) to the Secured Party, which Collateral includes the Trademarks and Patents identified herein, and has executed and delivered a Joinder to Guarantee and Collateral Agreement dated as of the date hereof.

For good and valuable consideration, the receipt of which is hereby acknowledged, Grantor and Secured Party agree as follows:

Section 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Security Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Collateral Agreement.

Section 2. Grant of Security Interest. As security for the full and timely payment, observance and performance of the obligations pursuant to the Collateral Agreement, Grantor hereby grants to Secured Party a continuing security interest in and a right of setoff against, all of Grantor's right, title and interest in the Trademarks listed on Schedule A and in the Patents listed on Schedule B hereto.

Section 3. Purpose. This Security Agreement has been executed and delivered by Grantor for the purpose of recording with the United States Patent and Trademark Office ("USPTO") the grant of a security interest in the Trademarks and the Patents pursuant to the Collateral Agreement. The Collateral Agreement (and all rights and remedies of Secured Party thereunder) shall remain in full force and effect in accordance with its respective terms. In the event of any conflict between this Security Agreement and the Collateral Agreement, the Collateral Agreement shall prevail.

Section 4. Acknowledgment. Grantor hereby further acknowledges and affirms that the rights and remedies of Secured Party with respect to the security interest in the Trademarks and the Patents granted hereby are more fully set forth in Collateral Agreement, the terms and

provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.

Section 5.     Counterparts. This Security Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.

[Signature pages follow]

IN TESTIMONY WHEREOF, Grantor and the Secured Party have caused this Intellectual Property Security Agreement to be signed and executed by the undersigned officer thereunto duly authorized as of the date first referenced above.

**GRANTOR:**
