## **CONFIRMATORY ASSIGNMENT**

The effective date of this Confirmatory Assignment is 4 September 2024.

### **PARTIES**

The Assignor: Nylacast Ltd with address 480 Thurmaston Boulevard, Leicester, Leicestershire LE4 9LN, Great Britain, Incorporated at Companies House, Crown Way, Cardiff, CF14 3UZ under the Companies Act 2006 on 28 September 2006 with Company Number 05949301

The Assignee: Nylacast Engineered Products Ltd with address One Eleven, Edmund Street, Birmingham, B3 2HJ, Great Britain, Incorporated at Companies House, Crown Way, Cardiff, CF14 3UZ under the Companies Act 2006 on 20 December 2006 with Company Number 06033691

### **RECITALS**

Whereas the Assignor is the owner of certain patents and patent applications as set out in the Schedule appended hereto ("the Patents and the Patent Applications") in respect of the Inventions disclosed therein ("the Inventions");

Whereas the Assignor assigned their rights in the Patents and the Patent Applications to the Assignee; and

Whereas the parties hereto wish to perfect the transfer of ownership of the Patents and the Patent Applications into the sole name of the Assignee.

### **OPERATIVE PROVISIONS**

#### **1. Assignment**

1.1 IN pursuance whereof and in consideration of the sum of one British Pound Sterling (the receipt and sufficiency of which is hereby acknowledged) the Assignor with full title guarantee has assigned, and by these presents does assign, to the Assignee:

1.1.1 all of the Assignor's right and title to and interest in the Inventions and the full and exclusive benefit of each of them in any and all other countries, states, regions and jurisdictions of the world without limitation;

1.1.2 all rights of the Assignor pertaining to the Patents, Patent Applications, and any future applications for Patents concerning the Inventions, including but not limited to all filings, issuances, renewals, extensions, continuations, continuations-in-part, divisions, reviews, re-examinations, and foreign counterparts thereof and any similar or equivalent forms of protection available under the laws of any country or any applicable international treaties or conventions, under the laws of any country or under any applicable international treaties or conventions;

1.1.3 all rights to claim priority based on the original filing dates of the Patents and Patent Applications under the provisions of any applicable international treaties and national laws concerning the Inventions.

1.1.4 the right to recover and take all such proceedings as may be necessary for the recovery of damages or otherwise in respect of all infringements of any of the Patents or the Patent Applications or any patent or patents granted pursuant to the Patent Applications whether such infringements take place before or after the date of this Assignment.

TO HOLD the same unto the Assignee absolutely.

## **2. Further Assurances**

2.1 THE Assignor HEREBY CONVENANTS with the Assignee that the Assignor will at the expense of the Assignee execute, sign and do all such instruments, applications, documents, act and things as may be required by the Assignee to enable the Assignee or its nominee to enjoy the full benefit of the rights hereby assigned and (if so requested by the Assignee) to apply for and obtain Patents, Patent Applications or any similar or equivalent forms of protection in respect of the Inventions available under the laws of any country or any applicable international treaties or conventions and to vest the same when obtained in the Assignee or its nominee as the Assignee shall direct.

## **3. Multiple Originals and Counterparts**

3.1 This Confirmatory Assignment may be executed in multiple originals, each of which shall be deemed to be an original, and all of which together shall constitute one and the same instrument. Each party agrees that it will provide one or more original copies of this Confirmatory Assignment, as necessary, to fulfil legal or regulatory requirements.

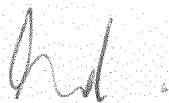

3.2 This Confirmatory Assignment may also be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery of an executed counterpart of this Confirmatory Assignment by facsimile, email, or other electronic means shall be equally as effective as delivery of a manually executed counterpart.

#### 4. Execution

In witness whereof, this Confirmatory Assignment has been executed as a Deed and delivered on the effective date hereof.

This Apostille is not to be used in the UK and only confirms the authenticity of the signature, seal or stamp on the attached UK public document. It does not confirm the authenticity of the underlying document. Apostilles attached to documents that have been photocopied and certified in the UK confirm the signature of the UK official who conducted the certification only. It does not authenticate either the signature on the original document or the contents of the original document in any way.

If this document is to be used in a country not party to the Hague Convention of the 5th of October 1961, it should be presented to the consular section of the mission representing that country.
