IP ASSIGNMENT AGREEMENT

This IP Assignment Agreement (this “**Agreement**”) is dated December 21, 2020 and made between:

- (1) **HEXAGON METROLOGY, INC.**, a Delaware corporation having its principal place of business at 250 Circuit Drive, North Kingstown, RI 02852, USA (the “**Transferor**”); and
- (2) **HEXAGON TECHNOLOGY CENTER GMBH**, a limited liability company formed under the laws of Switzerland having its principal place of business at Heinrich-Wild-Strasse 201, 9435 Heerbrugg, Switzerland (the “**Transferee**”).

(The Transferor and the Transferee are jointly referred to as the “**Parties**”).

WHEREAS, the Transferor has received intellectual property as a distribution from its subsidiary D.P. Technology, LLC and is now the owner of all the intellectual property listed in Appendix 1, together with any intellectual property rights related thereto, including, but not limited to, the worldwide rights to trademarks, service marks, logos, and other identifiers of source, including registrations and applications for registration thereof, patents and all reissues, reexaminations, extensions, continuations in part, continuing prosecution applications, provisional and divisions of such patents and any patents or patent applications which correspond to or claim priority to any of the foregoing, and all related unregistered intellectual property without limitation, including know-how and other identifiable or non-identifiable intangibles, and any foreign counter parts to the foregoing (the “**Intellectual Property**” or the “**DPT IP**”); and

WHEREAS, the Transferor wishes to transfer and assign all its economic and other rights to such Intellectual Property to Transferee for good and valuable consideration and the Transferee desires to accept such transfer of such Intellectual Property.

NOW THEREFORE, the Parties agree as follows:

1. ASSIGNMENT

1.1 Upon execution of this Agreement:

- a) the Transferor transfers, assigns, conveys and delivers to the Transferee and its successors and assigns (i) full legal title and all its economic and other rights to the Intellectual Property and any claims of infringement thereof and (ii) to the extent permitted by applicable law and agreement, rights to certain third party owned content, in all cases only to the extent transferable; and
- b) Transferor does hereby constitute and appoint Transferee, its successors and assigns, as the Transferor’s true and lawful attorney, with full power of substitution, for it and in its name, place and stead or otherwise, by and on behalf of and for the benefit of Transferee, its successors and assigns, to demand and receive from time to time any and all Intellectual Property assets, and to give receipts and releases for and in respect of the same and any part thereof, and from time to time to institute and prosecute in its name or otherwise, but at the direction and expense and for the benefit of Transferee and its successors and assigns, any and all proceedings at law, in equity or otherwise, which Transferee, its

PATENT

REEL: 069216 FRAME: 0686

advisable, Transferor hereby declaring that the appointment hereby made and the powers hereby granted are coupled with an interest and are and shall be irrevocable by Transferor in any manner or for any reason.

2. ACCEPTANCE

The Transferor accepts the Transferor's transfer and assignment to Transferee of its rights hereunder.

3. MISCELLANEOUS

3.1 Amendment. No amendment, modification or waiver in respect of this Agreement will be effected unless in writing and executed by each of the Parties.

3.2 Further Assurances. If at any time any party hereto shall reasonably request any further action by any other party to carry out the purposes of this Agreement or to further effectuate the transactions contemplated hereby, such other party, without expense to the requesting party, shall promptly take such action (including the prompt execution and delivery of further instruments and documents).

3.3 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed to be an original, but all of which, taken together, shall constitute one and the same agreement. Any signature delivered by e-mail delivery of a ".pdf" format data file shall have the same force and effect as if such ".pdf" signature page were an original thereof.

4. GOVERNING LAW

Governing Law. This Agreement shall be governed by and construed in accordance with the laws of New York.

IN WITNESS WHEREOF, the Parties have duly executed this Agreement as of the day and year first above written.

HEXAGON METROLOGY, INC.

PATENT

REEL: 069216 FRAME: 0695

2. Software Products

ESPRIT individually licensed components within one installation, including:

- SolidMill
- SolidTurn
- SolidWire
- SolidMillTurn
- SwissTurn
- ProfitMilling
- ProfitTurning
- FreeForm

ESPRIT separately installed extensions, add-ins and macros, including:

- Accessories Pack
- Digital Machine Package (DMP)
- Post Processor
- NC Simulator
- Tool Box

ESPRIT Additive Suite

ESPRIT License Server

ESPRIT Machine Tool Builder

ESPRIT Mold

ESPRIT SimNC

SIMNC individually licensed components within one installation, including:

- Core API
- Machine API
- Controller API
- STL Healer

CNC Turning

CNC Machine Configuration
