RELEASE OF SECURITY INTEREST IN PATENTS

WHEREAS, pursuant to that certain Patent and Trademark Security Agreement (the "Security Agreement"), dated as of July 11, 2016, OptMed. Inc. ("Releasee") granted to H.B. Fuller Company ("Releasor"), as Collateral Agent for itself and another corporation, a security interest in all right, title and interest of Releasee in and to the patents and patent applications listed on Schedule A attached hereto (the "IP"); and

WHEREAS, the Releasee has requested, and Releasor wishes to provide, a document suitable for recording in the United States Patent and Trademark Office for purposes of recording the release, relinquishment and discharge of its security interest in any patents which were subject to the Security Agreement which have not been abandoned ("Remaining IP").

NOW, THEREFORE, in consideration of and in exchange for good and valuable consideration, H.B. Fuller Company hereby agrees as follows:

1. Defined Terms. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement.

2. Release of Security Interest. Releasor, without representation, warranty or recourse, hereby terminates the Security Agreement and releases, relinquishes, terminates, cancels and discharges its continuing security interest in the Remaining IP, including without limitation, its continuing security interest in the Patents, including, without limitation, all applications, registrations and recordings thereof, as applicable, and all proceeds thereof, including, without limitation, any and all causes of action which may exist by reason of infringement, misappropriation or other violation thereof and any and all damages arising from past, present and future infringements, misappropriations or other violations thereof.

3. Recordation. The Releasor authorizes the Commissioner for Patents and/or any other government officials to record and register this Release of Security Interest in Patents upon written request by Releasee.

IN WITNESS WHEREOF, the parties have caused this Release of Security Interest in Patents to be duly executed with effective date of August 27, 2024.
