PATENT ASSIGNMENT

THIS PATENT ASSIGNMENT ("**Patent Assignment**") is made and entered into effective as of August 27, 2024 by and between H.B. Fuller Company, a Minnesota corporation with an address of 1200 Willow Lake Blvd., P.O. Box 64683, St. Paul, Minnesota, 55164-64683, USA ("**Assignor**"), and OptMed, Inc., a Delaware corporation, with an address of, 745 Fifth Avenue, Suite 500, New York, NY 10151, USA ("**Assignee**").

WHEREAS, Assignor is sole owner of certain U.S. Patents bearing the Patent Numbers and dates and titles set forth on Schedule 1 hereto (the "Patents" and each a "Patent"), and

WHEREAS, Assignor desires to convey, transfer, assign and deliver to Assignee all right, title and interest in and to the Patents including the right to sue for past, present and future infringement thereof; and

WHEREAS, Assignee desires to acquire all right, title and interest in and to each of the Patents; and

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. **Assignment.** Assignor hereby irrevocably and unconditionally conveys, transfers, assigns and delivers to Assignee all of Assignor's right, title and interest in and to each invention and Patent for the entire term of each Patent and any reissues or extensions and for the entire terms of any patents, reissues, or extensions that may issue from foreign applications, divisions, continuations in whole or part, or substitute applications filed claiming the benefit of each Patent.

2. **Ownership.** Assignor represents and warrants that: it is the owner of the right, title and interest in and to the Patents; it has the right and power to assign ownership of the Patents.

3. **Recordation.** Assignor authorizes the Commissioner for Patents and Trademarks of the United States Patent and Trademark Office and any other empowered governmental official in the United States and in relevant jurisdictions outside the United States to record and register this Patent Assignment.

4. **Further Assurances.** From time to time, as and if reasonably requested by Assignee, Assignor shall execute, acknowledge and deliver, and cause to be executed, acknowledged and delivered, to Assignee all such other documents and instruments and take, and cause to be taken, all such other actions, as are reasonably necessary to evidence and effectuate the transactions contemplated by this Patent Assignment.

5. Successors and Assigns. This Patent Assignment shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns.

6. Counterparts. This Patent Assignment may be executed in one or more counterparts, each of which shall be deemed to be an original but all of which shall constitute one and the same instrument.

7. Entire Understanding; Modification and Waiver. This Patent Assignment sets forth the entire understanding and agreement of the parties hereto with respect to the subject matter hereof and supersedes all prior and contemporaneous agreements, oral or written, with respect to that subject matter. This Patent Assignment may not be changed or modified in any way, or any right of Assignee hereunder waived, in any respect except in a writing executed by each of the parties hereto.

8. Governing Law. This Patent Assignment shall be governed by and construed in accordance with the laws of New York applicable to contracts executed and performed entirely within the State, without regard to the conflicts of laws rules thereof.
