ASSIGNMENT

In consideration of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, **Warren C. Oliver**, having an address at One Technology Drive, Milpitas, California 95035; **Michael Drake**, having an address at One Technology Drive, Milpitas, California 95035; **Richard Anthony**, having an address at One Technology Drive, Milpitas, California 95035; **Kurt Johanns**, having an address at One Technology Drive, Milpitas, California 95035; and **Jennifer Hay**, having an address at One Technology Drive, Milpitas, California 95035, the undersigned;

Hereby sell, assign, and transfer to **KLA Corporation**, having a place of business at One Technology Drive, Milpitas, California 95035 (hereinafter "Assignee"), its successors, assigns, and legal representatives, the entire right, title, and interest for the United States and all foreign countries, in and to any and all inventions disclosed in the following patent applications:

Country	Patent Application No.	Filing Date	Title
US	63/287974	December 10, 2021	4-Point Tilt Alignment Wafer Chuck

And in and to said applications and all applications that claim priority to any of the aforementioned applications including all divisional, continuation, reissue, and continuation-in-part applications, or national or regional phase applications thereof, which have been or shall be filed in the United States and all foreign countries on any of said inventions; all rights of priority to any of the aforementioned applications; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said inventions;

Agree that said Assignee may apply for and receive patents for said inventions in its own name; and agrees that, when requested, shall execute all rightful oaths or declarations, assignments, powers of attorney, and other papers, which said Assignee, its successors, assigns

or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said inventions; and

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
