ASSIGNMENT

THIS ASSIGNMENT (“Assignment”) is entered into by **BykRak, LLC**, 2029 Manitou, Owosso, MI 48867 (“Assignor”) in favor of **Hogan Mfg., Inc.**, 1638 Main Street, Escalon, CA 95320 (“Assignee”).

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignor hereby agrees as follows:

1. **ASSIGNMENT.** Assignor hereby sells, assigns, and transfers, unto Assignee, its successors and assigns, the full and exclusive right, title, and interest throughout the world in and to: (a) any and all inventions and/or improvements that are disclosed in the patents and/or applications listed in **Schedule A** and modifications thereof; (b) the patents and/or applications that are listed in Schedule A and all other applications in any country for the inventions and/or improvements that are disclosed in such patents and/or applications; (c) all patents which may issue from any of such applications in any country; (d) all divisions, continuations, reissues, reexaminations, and extensions of such patents and/or applications; and (e) the right to claim for any of said applications the full benefits and priority rights under the International Convention and any other international agreement to which the United States adheres; such right, title, and interest to be held and enjoyed by Assignee, its successors and assigns, to the full end of the term or terms for which any and all such patents may be granted as fully and entirely as would have been held and enjoyed by Assignor had this Assignment not been made.

2. **FURTHER ASSURANCES.** Assignor shall execute or have executed and deliver, upon request by Assignee, all lawful papers reasonably necessary to evidence, protect or perfect the ownership rights transferred to Assignee hereunder, including, but not limited to, original, divisional, continuation, and reissue applications, renewals, assignments, powers of attorney, oaths, affidavits, declarations, depositions. Assignor shall provide all reasonable assistance to Assignee, its successors and assigns, in obtaining and enforcing proper title in and protection for such invention or inventions, improvements, and modifications under the intellectual property laws of the United States and countries foreign thereto.

3. **AUTHORIZATION.** Assignor authorizes the law firm of Young Basile Hanlon & MacFarlane, P.C. to insert within Schedule A the filing date and application numbers of the applications listed therein.
