Section II – Assignment of Intellectual Property

ASSIGNOR, for and in consideration of the sum of One Dollar (\$1.00), and other good and valuable considerations, the receipt of which is hereby acknowledged, ASSIGNOR (including its successors and assigns) hereby sells, assigns, and transfers to the ASSIGNEE the entire right, title, and interest in and to: the Marks contained in Table 1 including any goodwill of the business symbolized by the Marks, pending applications, and registrations thereof. ASSIGNOR further hereby sells, assigns, and transfers to the ASSIGNEE, its successors and assigns, and otherwise agrees to sell, assign, and transfer to the ASSIGNEE, its successors and assigns, the entire right, title, and interest in and to: the invention(s) disclosed in the Patents and Patent Applications listed in Table 2; the Patents and Patent Applications listed in Table 2; any issuing Letters Patent resulting from the Patents and Patent Applications listed in Table 2; and any issuing Letters Patent that has the right to claim the benefit of or priority to the Patents and Patent Applications listed in Table 2, including but not limited to divisional applications, continuation applications, continuation-in-part applications, substitute applications, and reissue applications. ASSIGNOR does hereby authorize and request the Commissioner of Patents or other proper Officer, to issue such Letters Patent to the ASSIGNEE, as the ASSIGNEE of the entire right, title, and interest for the sole use of the ASSIGNEE, and its successors or assigns.

ASSIGNOR hereby authorizes the ASSIGNEE, its successors and assigns, to file in its own name, applications for patent in foreign patent offices in connection with the inventions hereby transferred, under any International Convention claiming the priority of the United States application or otherwise, and to secure in its own name the patent or patents issued thereon.

ASSIGNOR further agrees to transfer, and hereby transfers all tangible and intangible assets of the business of ASSIGNOR related to the Intellectual Property including graphics, digital files, websites, domains, etc. to ASSIGNEE.

ASSIGNOR also agrees to execute all documents, papers, forms, authorizations, and/or other actions that may be necessary for ASSIGNEE to secure, complete, record, and/or perfect the

transfer of rights in the Marks for this Assignment, including any pending applications for the Intellectual Property. ASSIGNOR also covenants and agrees to cease all use of the Intellectual Property upon execution of this Assignment.

In the event that assignment of one or more of the Intellectual Property under this Assignment is ineffective, by operation of law or otherwise, ASSIGNOR hereby grants ASSIGNEE an exclusive, irrevocable, worldwide, royalty-free license to fully use the Intellectual Property whose assignments were ineffective.

ASSIGNOR hereby authorizes and requests the attorney(s) and/or agent(s) recording the present assignment, to insert the serial number and filing date of the above-referenced application when known.

Section III – Miscellaneous

ASSIGNOR and ASSIGNEE each represent and warrant that it has the full right, power and authority to enter into this Assignment and to perform its obligations hereunder; execution of this Assignment by its representative whose signature is set forth at the end hereof has been duly authorized by all necessary corporate action.

This Assignment may only be amended, modified or supplemented by an agreement in writing signed by each party hereto. This Assignment constitutes the sole and entire agreement of the parties with respect to the subject matter contained herein, and supersedes all prior and contemporaneous understandings, agreements, representations and warranties, both written and oral, with respect to such subject matter.
