ASSIGNMENT

Tendril EA, LLC, having its principal place of business at 2530 Junction Place, 2nd Floor, Boulder, Colorado 80301 (the "Assignor"), is the sole and exclusive owner, by assignment, of the Intellectual Property listed in Schedule A.

Uplight, Inc., having its principal place of business at 2530 Junction Place, 2nd Floor, Boulder, Colorado 80301 (the "Assignee"), desires to acquire the entire right, title and interest in, to, and under said Intellectual Property.

"Intellectual Property" as used herein means all:

i) patents and patent applications, and inventions disclosed therein, set forth in Schedule A, and all divisional, continuation, continuation-in-part, re-exams, substitute or reissue applications, and patents applied for or granted therefore in the United States of America and all other countries, including any prior or future patents or patent applications related to any of the above by priority claim, and all causes of action related to or arising out of any of the foregoing (hereinafter collectively referred to as the "Patents");

ii) trademarks, trademark registrations, and applications for registration set forth in Schedule A, and all other associated rights, including common law rights, trade name rights, trade dress rights, service marks, all causes of action related to or arising out of any of the foregoing, and the good will symbolized by any of the above, in the United States of America and all other countries (hereinafter collectively referred to as the "Trademarks"); and

iii) domain names set forth in Schedule A, including all registrations and applications for registrations and renewals thereof, and all causes of action related to or arising out of any of the foregoing, in the United States of America and all other countries (hereinafter collectively referred to as the "Domain Names").

For good and valuable consideration, the receipt and sufficiency of which Assignor acknowledges, Assignor hereby sells, assigns, and transfers to Assignee, its successors, and assigns, the entire right, title and interest in and to any and all of the Intellectual Property.

The Commissioner of Patents and Trademarks is hereby authorized and requested to issue all Patents and Trademarks to Assignee as the assignee and owner of the entire interest therein.

Assignor, and its legal representatives, heirs and assigns do hereby agree and covenant without further remuneration, to execute and deliver all documentation or other lawful paper related to any of the Intellectual Property whenever reasonably requested by Assignee, and do generally everything necessary to aid Assignee, its successors, assigns and nominees to obtain protection for the Intellectual Property.
