ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged,

We, the undersigned, **Russell D. Sasak** and **Richard W. Sasak**,

who have created a certain invention for which a patent application has been filed as

U.S. Provisional Patent Application No. 63/163,483 on March 19, 2021

and is entitled

LUBRICATION ATOMIZATION

Do hereby sell, assign, and transfer to Barnes Group Inc., a corporation organized under the laws of Delaware, with a principal place of business at 123 Main Street, Bristol, CT 06010 ("Assignee"), its successors, assigns, and legal representatives, the full and exclusive right, title, and interest in and to said invention and said application for the United States, its territorial possessions and all foreign countries, and the entire right, title and interest in and to any and all Letters Patents which may be granted therefor in the United States, its territorial possessions and foreign countries; and in and to any and all continuations-in-part, continuations, divisions, substitutes, reissues, reexaminations, extensions thereof, and all other forms of protection relating thereto which have been or shall be filed in the United States, its territorial possessions and/or any foreign countries, and all rights, together with priority rights, under any of the international conventions, unions, agreements, acts, and treaties, including all future conventions, unions, agreements, acts, and treaties;

Agree that said Assignee may apply for and receive Letters Patent for said invention, in its own name, when requested to carry out in good faith the intent and purpose of this assignment, at the expense of said Assignee, its successors, assigns, and legal representatives, the undersigned will execute all continuations-in-part, continuations, divisions, substitutes, reissues, reexaminations, extensions thereof, execute all rightful oaths, assignments, powers of attorney, and other papers, testify in any legal or quasi legal proceedings; communicate to said Assignee, its successors, assigns, and legal representatives all facts known to the undersigned relating to said invention and the history thereof; and generally do everything possible which said Assignee, its successors, assigns, and legal representatives shall consider desirable for aiding in securing, maintaining, and enforcing proper patent protection for said invention and for vesting title to said invention and all applications for patents on said invention in said Assignee, its successors, assigns, and legal representatives; and

Consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Assignee to apply for patent or other form of protection of said invention and to claim the aforesaid benefit of the right of priority.

IN TESTIMONY WHEREOF WE have hereunto set OUR signature(s) on the date(s) indicated below.
