ASSIGNMENT

WHEREAS,

CPS-IP Holdings LLC and any successors in interest (**Assignor**)
7229 Havenwood Drive,
Castle Pines, CO 80108

Is the owner of the following United States patent:

	Title	Patent #	Filing Date
1.	Door Protective Cover	7,854,096B2	03.28.2008

Whereas, Construction Protection Systems, LLC, a Colorado company, having a primary place of business at 7229 Havenwood Drive, Castle Pines, CO 80108 (the “**Assignee**”), is desirous of acquiring the entire right, title and interest in and to said invention, said application(s) and in, to and under any and all Letters Patents to be obtained therefore;

Now, therefore, for \$1 each and other good and valuable consideration, the receipt of which is hereby acknowledged from the **Assignee**, the **Assignor** has sold, assigned and transferred, and by these presents do hereby sell, assign and transfer unto the said **Assignee**, its successors and assigns, our entire right, title and interest in and to said invention, said application(s), said patent(s), all divisions, continuations, continuations-in-part, reissues, or renewals thereof, and the any related patent(s), both foreign and domestic, that may or shall issue therefrom, including all reissues or extensions of such patents including all of our rights under the International Convention (collectively “**the Patent Rights**”), and the **Assignor** does hereby authorize and request the Commissioner of Patents to issue said Letters Patent(s) to the above-mentioned Assignee in accordance herewith.

The **Assignor** further authorizes said **Assignee**, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent(s), in its own name if desired, in any and all foreign countries, and additionally to claim the filing date of said United States application(s) and/or otherwise take advantage of the provisions of the International Convention.

The **Assignor** represents and warrants that it has the right and authority to execute this Assignment and to convey all its right, title, and interest in **the Patent Rights**, and that it has not conveyed nor will convey hereafter all or part of **the Patent Rights** therein to a third party; and it hereby covenants and agrees with the said **Assignee**, its successors and assigns, that it will not execute in writing or do any act whatsoever conflicting with these presents, and that it or its executors or administrators will at any time upon request, without further or additional consideration, but at the expense of the said **Assignee**, its successors and assigns, execute such additional writings and do such additional acts as said **Assignee**, its successors and assigns, may deem necessary or desirable to perfect the **Assignee**’s enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, continuation, continuation-
