OA INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

This OA Intellectual Property Assignment Agreement (“OA IP Assignment”), dated as of January 7, 2025, is made by Duralectra-CHN, LLC, a Delaware limited liability company (“Duralectra”), Sanford Process Corporation, a Delaware corporation (“Sanford”) and N2 Biomedical LLC, a Delaware limited liability company (“N2”) (Duralectra, Sanford and N2 are each an “OA Asset Seller” and collectively the “OA Asset Sellers”), in favor of Keystone Dura-N2 LLC, a Delaware limited liability company (“OA Buyer”), pursuant to the terms of that certain Asset Purchase Agreement, dated as of December 26, 2024, by and among OA Asset Sellers, OA Buyer and the other parties thereto (the “Purchase Agreement”). All capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the Purchase Agreement.

WHEREAS, pursuant to the terms of the Purchase Agreement, each OA Asset Seller has agreed to sell, convey, assign, transfer and deliver to OA Buyer, and OA Buyer has agreed to purchase and acquire from each OA Asset Seller, all OA Acquired IP; and

WHEREAS, OA Asset Sellers and OA Buyer have agreed to execute and deliver this OA IP Assignment pursuant to Section 8.02(j)(xvi) and Section 8.03(e)(viii) of the Purchase Agreement for purposes of transferring such OA Acquired IP and recording such transfer with the United States Patent and Trademark Office and any corresponding entities or agencies in any applicable jurisdictions.

NOW, THEREFORE, in consideration of the representations, warranties, covenants and agreements contained in the Purchase Agreement and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the OA Buyer and each OA Asset Seller hereby agree as follows:

1. Effective as of Closing, each OA Asset Seller hereby irrevocably sells, conveys, assigns, transfers and delivers to OA Buyer, and OA Buyer hereby purchases and acquires, all of each OA Asset Seller’s right, title and interest in and to all OA Acquired IP, including the following:

- a. the patents, patent applications, and invention disclosures set forth on Schedule 1 hereto, all improvements described in the foregoing, and all other patents or patent applications anywhere in the world that claim priority to any of the patents or patent applications set forth on Schedule 1 including any issuances, divisionals, continuations, continuations-in-part, reissues, substitutions, extensions, reexaminations, and renewals thereof (the “Patents”);
- b. industrial designs included in OA Acquired IP and all related rights, including Patents, registrations, applications for registration, and renewals thereof;
- c. the trademarks, service marks, trade names, logos, slogans, trade dress and/or design rights set forth on Schedule 2 hereto, and the corresponding registrations and applications to register set forth on Schedule 2 hereto, and all issuances,

extensions, and renewals thereof (the “Trademarks”), together with the goodwill of the business connected with the use of, and symbolized by, the Trademarks;

- d. all unregistered trademarks, service marks, trade names, logos, slogans, trade dress and/or design rights included in the OA Acquired IP, and all issuances, extensions, and renewals thereof (the “Unregistered Trademarks”), together with the goodwill of the business connected with the use of, and symbolized by, the Unregistered Trademarks;
- e. all copyrightable subject matter and copyrightable works included in OA Acquired IP, mask works included in OA Acquired IP and related rights, and all copyrights in such copyrightable subject matter and copyrightable works, including without limitation moral rights and rights in derivative works, and all registrations thereof anywhere in the world;
- f. all trade secrets, know-how, inventions (whether or not patentable), discoveries, improvements, technology, business and technical information, databases, data compilations and collections, tools, methods, processes, techniques and other confidential and proprietary information and rights included in OA Acquired IP;
- g. all Software;
- h. all internet domain names and social media account or user names (including “handles”), whether or not trademarks, all associated web addresses, URLs, websites and web pages, social media sites and pages, and all content and data thereon or relating thereto, whether or not copyrights;
- i. any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to any and all of the foregoing;
- j. all rights of any kind whatsoever of each OA Asset Seller accruing under any of the foregoing provided by applicable Law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world, including but not limited to all priority rights, rights under the International Convention For The Protection Of Industrial Property, and rights under the Patent Cooperation Treaty; and
- k. any and all claims and causes of action with respect to any of the foregoing, whether accruing before, on, or after the date hereof, including all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and future infringement, dilution, misappropriation, violation, misuse, breach, or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Each of OA Buyer and each OA Asset Seller hereby authorizes the Commissioner for Patents and the Commissioner for Trademarks in the United States Patent and Trademark

Office, and the officials of corresponding entities or agencies in any applicable jurisdictions, to record and register this OA IP Assignment upon request by OA Buyer.

3. Following the date hereof, upon OA Buyer's reasonable request, OA Asset Sellers shall take such steps and actions, and provide such cooperation and assistance to OA Buyer and its successors, assigns, and legal representatives, including the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, or other documents, as may be reasonably necessary to effect, evidence, or perfect the assignment of the OA Acquired IP to OA Buyer.

4. This OA IP Assignment is given pursuant to the terms of the Purchase Agreement. The terms and conditions of the Purchase Agreement are incorporated herein by reference. In the event of a conflict or inconsistency between the provisions of this OA IP Assignment and the provisions of the Purchase Agreement, the provisions of the Purchase Agreement will prevail.

5. This OA IP Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. The words "execution," "signed," "signature," and words of like import herein shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act or any other similar state laws based on the Uniform Electronic Transactions Act. Each party will provide the other party with original signature pages to the extent necessary, appropriate or desirable for purposes of recording the transfer of the OA Acquired IP with the United States Patent and Trademark Office and any corresponding entities or agencies in any applicable jurisdictions.

6. This OA IP Assignment shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

7. This OA IP Assignment and all claims or causes of action based upon, arising out of or relating to this OA IP Assignment and the transactions contemplated hereby shall be governed by and construed in accordance with the internal Laws of the State of Delaware without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction).
