ASSIGNMENT

For valuable consideration, I, John O'Brien of Cherry Hill, New Jersey, hereby assign to Scrub Daddy, Inc. a corporation of Pennsylvania, having a place of business at 1700 Suckle Highway, Pennsauken, New Jersey 08100, and its successors and assigns (collectively hereinafter "the Assignee"), the entire right, title, and interest throughout the world in the inventions and improvements that are the subject of an application for United States Patent, entitled "Cleaning Fluid Dispenser," filed March 12, 2020, assigned U.S. Patent Application No. 16/646,618 and issued on March 2, 2022 as Patent No. 11,278,159 B2.

This assignment includes, but is not limited to, the said application, any and all divisional, continuing, substitute, renewal, reissue, and all other applications for patent that have been or shall be filed in the United States and all foreign countries on any such inventions or improvements; all original and reissued patents that have been or shall be issued in the United States and all foreign countries on such inventions or improvements; and all United States and foreign patents, utility models, and design registrations granted for any of said inventions or improvements, and the right to claim priority based on the filing date of said application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes.

I authorize the Assignee to apply in all countries in my name or in its own name for patents, utility models, design registrations and like rights of exclusion and for inventors' certificates for said inventions and improvements.

I, on behalf of myself and my heirs, executors, representatives and administrators, hereby covenant and agree to do such lawful acts and things and to execute without further consideration such lawful assignments, documents, assurances, applications, and other instruments as may reasonably be required by said assignee, its successors, assigns or legal representatives, to obtain any and all letters patent of United States and worldwide for said invention.

IN WITNESS WHEREOF, having read the aforesaid Assignment and intending to be legally bound thereby, I have hereunto affixed my hand and seal on this 7<sup>TH</sup> day of February, 2025.
