ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, We, the undersigned, Douglas F. DeVries David Boyle, Michael Homes and Malcolm Williams

Hereby sell, assign, and transfer to: PULMONETIC SYSTEMS, INC., a corporation of Delaware, having a principal place of business at: 17400 Medina Road, Suite 100, Minneapolis, Minnesota 55447 ("Assignee"), its successors, assigns and legal representatives, the entire right, title and interest for the United States and all foreign countries, in and to any and all improvements which are disclosed in the application for United States Letters Patent

 which has been executed by the undersigned concurrently herewith,

[XX] which was filed Aug. 4, 2004 and assigned
Serial No. 10/912,747

and is entitled: PORTABLE VENTILATOR SYSTEM

and in and to said application and all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said improvements; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said improvements; and in and to all rights of priority resulting from the filing of said United States application;

Agree that said Assignee may apply for and receive Letters Patent for said improvements in its own name; and that, when requested, without charge to, but at the expense of, said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this Assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said improvements; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns, and representatives, all facts known to the undersigned relating to said improvements and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements and all applications for patents and all patents on said improvements, in said Assignee, its successors, assigns and legal representatives; and
