PATENT ASSIGNMENT

This Assignment is made effective as of March 4, 2025.

WHEREAS, Brian Lee Moffat ("Assignor"), is the sole and exclusive owner of the patents and patent applications listed on Schedule A (collectively, the "Patents"); and

WHEREAS, Brian Moffat Private Data LLC ("Assignee"), a Texas limited liability company, located at 119 West Ferguson Street, Tyler, Texas 75702-7203 wishes to acquire all right, title and interest in and to said Patents and all inventions disclosed therein;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns and transfers to Assignee and its successors and assigns, all of Assignor's right, title and interest in and to the Patents and all inventions disclosed therein, including all divisions, continuations, continuations-in-part and reissue applications that may be filed for said inventions, and all patents which have been or may be granted for said inventions in the United States or anywhere else in the world, together with the right to file applications directly in the name of the Assignee and to claim for any such applications any priority rights to which such applications are entitled under U.S. or international law, and the right to sue for damages for all past, present and future infringements of any patents granted for said inventions.

Further, Assignor agrees that, upon request and without further compensation, but at no expense to Assignor, Assignor and its legal representative(s) successors and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for securing and maintaining proper patent protection for said inventions in the United States and throughout the world, and for vesting title in Assignee, its successors and assigns, to all said inventions and all patents and patent applications for said inventions in the United States and throughout the world.

Assignor represents and warrants that it has not granted and will not grant to others any rights inconsistent with the rights granted herein.

PATENT ASSIGNMENT

Assignor authorizes and requests the United States Commissioner of Patents and Trademarks and all foreign officials whose duty it is to issue patents to issue any Letters Patent granted for said inventions, whether on an existing application or on any subsequently filed application, to Assignee, its successors and assigns, as the assignee of the entire interest in said inventions.

IN WITNESS WHEREOF, Assignor has executed this Assignment on the date written herein below.
