COLLATERAL ASSIGNMENT FOR SECURITY – PATENTS

March 4, 2025

WHEREAS, BancTec, Inc. (the “Assignor”) holds all right, title and interest in the letter patents, design patents and utility patents listed on the attached Schedule A, which patents are issued or applied for in the United States Patent and Trademark Office (the “Patents”);

WHEREAS, the Assignor has entered into a Pledge and Security Agreement, dated as of the date hereof (as amended, restated, amended and restated, supplemented, modified or otherwise changed from time to time, the “Security Agreement”; all capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement), in favor of Ankura Trust Company, LLC, as the Collateral Agent for itself and certain lenders (in such capacity, together with its successors and assigns, if any, the “Assignee”); and

WHEREAS, pursuant to the Security Agreement, the Assignor has collaterally assigned to the Assignee and granted to the Assignee for the benefit of the Secured Parties (as defined in the Security Agreement) a continuing security interest in all right, title and interest of the Assignor in, to and under the Patents and the applications and registrations thereof, and all proceeds thereof, including, without limitation, any and all causes of action which may exist by reason of infringement thereof and any and all damages arising from past, present and future violations thereof (the “Collateral”), to secure the payment, performance and observance of the Secured Obligations (as defined in the Security Agreement);

NOW, THEREFORE, as collateral security for the payment, performance and observance of all of the Secured Obligations, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignor does hereby pledge and collaterally assign unto the Assignee and grants to the Assignee for the benefit of the Assignee and the Secured Parties a continuing security interest in the Collateral to secure the prompt payment, performance and observance of the Secured Obligations; provided that such “Collateral” shall not include any Excluded Property (as defined in the Security Agreement).

The Assignor does hereby further acknowledge and affirm that the rights and remedies of the Assignee with respect to the Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. This Assignment for Security – Patents shall be governed by, and construed in accordance with, the laws of the State of New York, and to the extent applicable, the Bankruptcy Code.

Notwithstanding anything herein to the contrary, (a) the rights granted to the Collateral Agent pursuant to this collateral assignment and (b) the exercise of any right or remedy by the Collateral Agent hereunder is subject to the limitations and the terms of the DIP Orders. In the event of any conflict between the terms of this agreement and the terms of the Security Agreement, the Security Agreement shall control.

This agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed

counterpart by facsimile or electronic mail shall be equally effective as delivery of an original executed counterpart.

[REMAINDER OF THIS PAGE INTENTIONALLY LEFT BLANK]
