ASSIGNMENT

WHEREAS, AGILITE SYSTEMS, INC., a limited liability company having its principal place of business at 8 The Green, Suite 11049, Dover, Delaware 19901 (hereinafter referred to as Assignor), is the owner, by assignment, of U.S. Patent Application Nos. 17/703,026 and 17/712,156; and

WHEREAS, AGILITE ERGONOMICS (E.B.) LTD., a limited liability company organized under and pursuant to the laws of ISRAEL, having its principal place of business at 32 Habanai Street, Holon, ISRAEL 5885607 (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest in and to said Patents and Patent Applications, and in and to any and all Patents and Patent Applications to be obtained therefore and thereon in the United States and other foreign countries.

NOW, THEREFORE, in good and sufficient consideration, the receipt of which is hereby acknowledged, Assignor has sold, assigned, transferred, and set over, and by these presents does sell, assign, transfer, and set over, unto Assignee, its successors, legal representatives, and assigns, the entire right, title, and interest in and to the above-mentioned Patents and Patent Applications, and in and to any and all direct and indirect divisions, conversions, continuations, and continuations-in-part of said Patents and Patent Applications, and any and all Patents and Patent Applications in the United States and all foreign countries which may be granted therefore and thereon, and reissues, reexaminations, and extensions of said Patents and Patent Applications, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives, and assigns, to the full end of the term or terms for which Letters Patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignor, had this sale and assignment not been made.

AND for the same consideration, Assignor hereby represents and warrants to Assignee, its successors, legal representatives, and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles, and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignor is the sole and

lawful owner of the entire right, title, and interest in and to the said Patents and Patent Applications above-mentioned, and that the same are unencumbered and that Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignor hereby covenants and agrees to and with Assignee, its successors, legal representatives, and assigns, that Assignor will sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Patents and Patent Applications, without charge to Assignee, its successors, legal representatives, and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives, and assigns, shall advise: that any proceeding in connection with said Patents and Patent Applications, or any proceeding in connection with any Patents and Patent Applications in the United States or any country, including but not limited to interference proceedings, is lawful and desirable; or, that any division, conversion, continuation, or continuation-in-part of any application for Letters Patent, or any reissue, reexamination, or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

AND Assignor hereby requests the Commissioner for Patents and Trademarks to issue said Letters Patent of the United States to Assignee, as Assignee of said Patents and Patent Applications, for the sole use and benefit of Assignee, its successors, legal representatives, and assigns.

AND Assignor hereby grants the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office or any Patent Office of any other country for recordation of this document:
