REEL: 070574 FRAME: 0003

INTELLECTUAL PROPERTIES ASSIGNMENT AGREEMENT

This INTELLECTUAL PROPERTIES ASSIGNMENT AGREEMENT (“**Agreement**”), effective as of December 16, 2024 (“**Effective Date**”), is made by and between SPIA CYCLING INC., a company duly incorporated and validly existing under the laws of Delaware, having its principle office at 5335 Sterling Dr., Boulder, CO 80301, US (“**Assignor**”) and Giant Manufacturing Co., Ltd., a company duly incorporated and validly existing under the laws of the Republic of China, Taiwan, having its registered address at No. 997 and 999, Sec. 1, Dongda Rd., Xitun Dist., Taichung City 40763, Taiwan (“**Assignee**”).

1. BACKGROUND

- 1.1 The Assignor is the owner of the intellectual properties set forth in Schedule 1, 2 and 3 (“**IPs**”), which were purchased from a third party through a Sales Order issued by a U.S. court;
- 1.2 The Assignor has agreed to assign the IPs to the Assignee on the terms set out in this Agreement.

2. ASSIGNMENT

- 2.1 For good and valuable consideration, the Assignor hereby irrevocably sells, conveys, transfers, and assigns to the Assignee, and the Assignee hereby accepts, all of the Assignor’s rights, titles and interests in and to the following rights (“**Assigned Rights**”) on the Effective date or another date agreed by the parties:

(a) the IPs and any rights acquired by the Assignor under the applicable laws, including but not limited to applications, divisions, and extensions, that are assignable under the applicable laws;

(b) any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to any and all of the foregoing;

(c) any and all claims and causes of action with respect to any of the foregoing, whether arising before, on, or after the Effective Date of this Agreement, including all rights to bring, make, oppose, defend, appeal proceedings, claims or actions and to obtain relief (and to retain any damages recovered) in respect of any infringement, or any other cause of action.

- 2.2 After the assignment of the IPs from the Assignor to the Assignee, the Assignee shall be responsible for the maintenance of validity the registered IPs and Assigned Rights, including but not limited to paying relevant fees. The Assignee may grant license to the Assignor for the use of the IPs in different jurisdictions with licensing fees subject to the Assignee’s policy.

3. **CONSIDERATION AND TAX**

- 3.1 As consideration for the assignment and actual appraisal/legal fees incurred under this Agreement, the Assignee agrees to pay the Assignor a total amount of [REDACTED] ("Payment"). Payment shall be made by the Assignee via wire transfer of immediately available funds to the Assignor's bank account, as provided below, within sixty (60) days upon the parties' full execution of this Agreement and the Assignee's receipt of an invoice correctly issued by the Assignor.

Name of Bank/Branch: [REDACTED]

Bank Address: [REDACTED]

ABA Number: [REDACTED]

Name of Account: [REDACTED]

Number of Account: [REDACTED]

Swift code: [REDACTED]

- 3.2 The Assignor shall prepare and timely file all tax in relation to the assignment hereunder. Each party shall bear any taxes arising out of or in connection with this Agreement, including but not limited to value-added tax (VAT), corporate income tax, and all other applicable taxes.
- 3.3 In the event that any withholding or deduction for or on account of tax is required under any applicable law or regulation of any governmental entity or authority, domestic or foreign, the Assignee shall make the withholding or deduction from the amount specified under Section 3.1 of this Agreement and provide the Assignor with any tax receipts issued by the appropriate tax authority evidencing the payment of such tax.
- 3.4 The Assignee agrees to be responsible for any fees incurred from the transfer of the IPs, including but not limited to assignment fees, extension fees, and fees related to the submission of evidence of use.

4. **WARRANTIES AND COVENANTS; RECORDATION**

- 4.1 The Assignor represents and warrants that, as of the date hereof:

(a) the Assignor is the sole legal and beneficial owner of the IPs and owns all rights and interests therein, and it is properly registered as the applicant or proprietor;

(b) for each of the applications and registrations listed in Schedule 1, 2 and 3, the Assignor is the legal owner of the IPs and is either properly registered as the applicant or registered proprietor, or has the necessary rights to the IPs and all application, registration and renewal fees due on or before the Effective Date hereof have been paid;

(c) the Assignor has not received any written claim, and no litigation, or administrative proceeding (except routine IP office proceedings) is threatened or currently pending against the Assignor that challenges the validity and enforceability of any of the IPs;

(d) the IPs and the Assigned Rights are free and clear of any claim, lien, security interest, option, mortgage, encumbrance, and the like of any nature whatsoever;

(e) there is no known infringement, whether ongoing or not, on any of the IPs, nor any pending action initiated by the Assignor arising out of or in connection with such infringement;

(f) the Assignor has not received any written claim, and no action or litigation is threatened or currently pending against the Assignor arising out of or in connection with the exploitation of the IPs, except for any potential dispute disclosed to the Assignee prior to the Effective Date hereof; and

(g) to the Assignor's knowledge, exploitation of the Assigned Rights will not infringe upon the rights of any third party, except for any potential disputes disclosed to the Assignee prior to the Effective Date hereof.

4.2 The Assignor covenants that the Assignor will provide the cooperation and assistance necessary for the Assignee to obtain the IPs and to obtain any (change of) recordals with relevant authorities. This includes, but is not limited to, (i) providing required evidence or documents, and (ii) executing all applications, assignments, or other instruments necessary to protect the Assignee's interests related to the assignment under this Agreement, all at the Assignee's expense.

4.3 As between the Assignor and Assignee, the Assignee shall be responsible, at its own expense, for filing the Assigned Rights and other documents, certificates, and instruments of conveyance with the applicable governmental authorities, provided that the Assignor performs its covenants stated in this Section 4.2. If there are any expenses arising out of or in connection with the maintenance or change of the recordals with relevant authorities incurred before the Effective Date, the Assignor shall remain responsible for such expenses.

4.4 Except for the warranties and covenants contained in this Section 4, the Assignor has not made and makes no other express or implied representation or warranty, either oral or written, whether arising by law or otherwise, including with respect to the ownership, issuance, patentability, claim scope, validity, enforcement, enforceability, or use of the IPs, all of which are expressly disclaimed.

5. INDEMNITY

5.1 The Assignor shall indemnify the Assignee against all liabilities, costs, expenses, damages, and losses (including but not limited to any direct, indirect, or consequential losses, loss of profit, loss of reputation, and all interest, penalties, and legal costs (calculated on a full indemnity basis), as well as all other reasonable professional costs and expenses) suffered or incurred by the Assignee arising out of or in connection with any breach by the Assignor

of this Agreement, including but not limited to, the warranties and covenants contained in Section 4 above.

- 5.2 At the request of the Assignee and at the Assignee's own expense, the Assignor shall provide all reasonable assistance to enable the Assignee to resist any claim, action, or proceedings brought against the Assignee arising out of or in connection with validity of the IPs, as well as to enforce the rights associated with the IPs.

6. SUCCESSORS AND ASSIGNS

This Agreement shall be binding on, and ensure to the benefit of, the parties hereto and their respective successors and permitted assigns.

7. ENTIRE AGREEMENT

- 7.1 The schedules attached hereto shall form an integral part of this Agreement. This Agreement constitutes the entire agreement between the parties.
- 7.2 Each party acknowledges that in entering into this Agreement, this contractual relationship does not rely on any statement, representation, assurance, or warranty that is not set out in this Agreement.

8. SEVERANCE

If any section or part-section of this Agreement is or becomes invalid, illegal or unenforceable, it shall be deemed deleted, but that shall not affect the validity and enforceability of the rest of this Agreement.

9. GOVERNING LAW

This Agreement and any claim, controversy, dispute, or cause of action (whether in contract, tort, or otherwise) arising out of, or in connection with this Agreement or its subject matter or formation shall be governed by, and construed in accordance with, the laws of Taiwan, without giving effect to any choice or conflict of law provision or rule.

10. JURISDICTION

Each party irrevocably agrees that Taiwan Taichung District Court shall have exclusive jurisdiction to settle any claim, controversy, dispute, or cause of action (whether in contract, tort, or otherwise) arising out of, or in connection with this Agreement or its subject matter or formation. Notwithstanding the foregoing, the enforcement of a final judgment in connection with this Agreement or its subject matter or formation can be enforced at any competent court.

11. COUNTERPARTS

- 11.1 This Agreement may be executed in two (2) counterparts, each of which shall constitute a duplicate of the original, but all of which together shall be deemed as one and the same agreement. A signed copy of this Agreement – delivered by fax, e-mail, or other means of

IN WITNESS HEREOF, the parties hereto have executed this Agreement on the day and year first written above.
