CONSIDÉRANT CE QUI PRÉCÈDE, en contrepartie de bonne et valable considération dont réception est accusée et quittance donnée pour autant, les parties conviennent de ce qui suit :

1. Le Cédant vend, cède, délivre et/ou transfère, et/ou confirme la vente, la cession, la délivrance et/ou le transfert par les présentes, en date du 14 septembre 2018 audit Cessionnaire, tout son intérêt partout dans le monde, incluant sans s'y limiter le Canada et les États-Unis et leurs territoires et possessions (ci-après le « Territoire »), dans et à l'invention (aux inventions) telle(s) que décrite(s) et/ou revendiquée(s) dans les demandes de brevet et/ou brevets identifiés à l'ANNEXE A jointe aux présentes, et, notamment, tous ses droits, titres et intérêts correspondants dans et à tout brevet sur cette invention qui peut en découler dans le Territoire, ainsi que tous les droits de priorité fondés sur l'ensemble des demandes de brevets et brevets couverts par cette Cession, incluant, sans s'y restreindre, les PCT, les demandes de brevets régionales ou nationales, les demandes divisionnaires, les continuations, les continuations-in-part, les redélivrances, les demandes réexaminées, les extensions, les validations et les substitutions correspondants, tous les brevets qui en découlent et toutes les inventions divulguées dans les demandes et les brevets (collectivement, les « Brevets »), étant entendu que le Cédant vend, cède et transfère les Brevets uniquement dans la mesure où le Cédant détient les droits et intérêts dans ces Brevets.
2. Le Cédant cède également au Cessionnaire le droit d'agir à l'encontre de toute violation de l'un des droits relatifs aux Brevets, incluant toute contrefaçon antérieure.
3. Le Cédant s'engage à signer de façon diligente tous les documents, formulaires et actes juridiques qui pourraient se révéler nécessaires à l'obtention des Brevets et/ou pour déposer d'autres demandes dans le Territoire sur cette invention ou sur toute invention décrite dans les Brevets, au nom du Cessionnaire.

WHEREAS LCY BIOTECHNOLOGY INC. merged with and into LCY BIOSCIENCES INC. on November 1<sup>st</sup>, 2018.

NOW THEREFORE for good and valuable considerations, the receipt of which is hereby acknowledged, and release is hereby given, the parties agree to the following :

1. The Assignor does hereby sell, assign, deliver and/or transfer and/or confirm such sale, assignment, deliverance and/or transfer as of September 14<sup>th</sup>, 2018 to said Assignee all its right, title and interest throughout the world including without limitation Canada and the United States and their territories and possessions (hereinafter the "Territory"), in and to the invention(s) as described and/or claimed in the patent applications and/or patents identified in SCHEDULE A attached herewith, and including but not limited to all its corresponding rights, titles and interests in and to any patent on said invention which may issue therefor in the Territory, as well as all priority rights based upon any and all said applications and patents covered by this Assignment, including without limitation, corresponding PCT applications, regional or national patent applications, divisionals, continuations, continuations-in-part, reissues, re-examined applications, extensions, validations, substitution applications, all issued patents thereof and all inventions disclosed in said applications and patents (collectively, the "Patents"), it being understood that the Assignor is selling, conveying, assigning and transferring the Patents only to the extent that the Assignor has rights and interests in and to the Patents.
2. The Assignor further assigns the right to recover for past infringement of, or liabilities for, any of the rights relating to the Patents, unto said Assignee.
3. The Assignor agrees to diligently execute all papers, forms and legal acts that may be necessary to obtain the Patents and/or file other applications in the Territory, for the above invention or any invention described in said Patents, in the name of the Assignee.

4. Tous les frais et déboursés requis et/ou liés au dépôt d'autres demandes et/ou à l'enregistrement de la présente Cession dans le Territoire, incluant, mais sans s'y restreindre, les frais officiels et gouvernementaux, seront à la charge du Cessionnaire.

5. Le Cédant autorise le Cessionnaire à signer tous les documents et tous les actes nécessaires à l'enregistrement de cette cession et tous les documents donnant force juridique à cette cession, ainsi qu'à demander et obtenir en son nom des Brevets pour ladite invention devant les autorités internationales compétentes et partout dans le Territoire où une demande de brevet peut être déposée ou un Brevet obtenu.

6. Le Cédant donne le pouvoir à la firme ROBIC, 630, boul. René-Lévesque O., 20<sup>e</sup> étage, Montréal, Québec, CANADA, H3B 1S6, d'insérer d'autres informations à la présente Cession, tels la date d'exécution, le numéro de la demande et/ou la date de dépôt de la demande, lorsque ces informations seront connues.

7. La présente Cession est régie et interprétée conformément aux lois du Québec et aux lois du Canada qui s'y appliquent.

8. En cas de contradiction entre la version française et anglaise des présentes, la version en anglais prévaudra en tout temps et sous tous les aspects, et sera la seule version contraignante entre les parties.
